Miss Ida M. Tarbell,
120 East 19th Street,
New York City.

Dear Miss Tarbell:-

It is with great pleasure that I have just heard indirectly of your acceptance of election as a member of the Board of Directors of the American Woman's Association, though no formal acceptance has ever reached me.

Your secretary acknowledged my original invitation to serve and said that this official letter would be placed on file but that no answer could be expected for several months on account of your absence from town, so no further notices were sent pending a response from you.

The last two Board Meetings of the season will be held on the usual second and fourth Tuesdays of the month, at eleven a. m., on June 8 and 22, at 220 Madison Avenue, and we shall be proud and happy if you can join us at that time.

With sincere regret at my seeming discourtesy in the matter, I am

Very truly yours,

Kathryn B. Pierpont

Secretary.
