My dear Miss Tarbell

I have received
your letter & also the
book which I know I
shall enjoy reading.

I thank you sincerely
for your kindness in

1
sending it to me.

I am sorry to report
that the photographic
attempt was not a
success; Mr. Page tells
me that he may
employ a local photographer
to take some prints
for you & if you
would like to have
him try to get a
picture of the entry

I am perfectly willing
for him to do so.

Thanking you again
for your kind remembrance

I am cordially yours

Anna F. Lincoln
