

you see Mr. I. had a big admirer
over Lottie Dorey found the stall-
none of us spent it there while
clear on day a me new. Had been
away from that jail - Mr. Storey
for about 5 yrs - left it out (?)
in 49 months - better - 2 months
in there in less one day
about - but he seemed a right
one a hundred speeches no 2 de
in Waller or no this year a
ed - slavery with the country
Mr. was getting from Mex -
to in selling the here - 2 must
have cost a fortune - it 40 my
he said - probably exaggerated but
he sold the after a great a chance
he sold, no that's sure

will be came any before the
 thing was settled. And just
 as told you the settlement -
 want a hundred 'li - two more -
 but he also said 2 weeks
 more the best they could get
 get rid of. well for they were
 up the prison & got - for with
 him - I - was one of them he said
 & the 2 remainder were more
 he said one of the black speck
 got come in prison & he didn't
 say anything more - got - of - &
 must not let him 'd & Marshall
 And all these were getting
 more - he was stayed - here
 within at the law & making

was ^{mean} ~~happy~~ in her temper - never
 longer. When she's mad - all ² ~~2~~ ^{of} ~~the~~
 or do perfectly ^{they} ~~she~~ ^{just} ~~as~~ ^{well} ~~she~~ ^{as} ~~she~~ ^{as} ~~she~~
 I think it better not -
 In kind girl - across the children -
 my very had a boy about Bet's age -
 always played together - just see
 even in the trees off at night for some
 some time - scolded & chided. They'd
 done something she didn't like & she'd
 just let - in to ~~come~~ in - Beth

- He read every word they said
 in Cyprus all that - spoke. So
 I B. H. told me over - every word
 detail - later - He was giving
 madder & madder these
 days - till he could not go
 no L. excited - Mr L. was
 thinking - that's the way 2
 people do not. He was giving
 things in his mind about
 the whole slavery business
 from the start - I want like
 L. J. down there in the first
 warin' - he ~~was~~ just now thinking
 & now that - I got what he
 wanted. When you give you
 data lose a part of knowledge

effect. I'm in - I've been best.
 have the way with him. I've
 found it with him - to get - I've
 given to him & get to a 2.2. & to
 the Pacific - great things.
 I want it - come up - down
 to him - on his Bell &
 pull in a Repeal of the
 old settlement - the people
 in Mo. wanted & the the
 President - instead - way to
 the church for the Bell & in
 the old folder in I would
 have the same. I don't want
 now as I've been. ~~My~~
 the story new as I say

I mind you all both up and
 the pit - a new turn &
 Mr L. telling me here - ~~the~~
 out of politics he could drive
~~the~~ ~~fact~~ - & he was doing it -
 one of the things he could
 all the time - I believe -
) By ^{Thunder} Gosh B. H. said in the
 one told - Mr L. knew me about
 this business than any body in
 the ~~the~~ best country. He's been
 studying where the best been
 within a revolution ~~the~~ ~~the~~ ~~the~~
 coming me off state's poli -
~~the~~ which are happen' me
 that - Mr L. was telling the
 wheel of which we must replace

making' up her mind about -
 what could & what could
 be done. He then saw the pedlar -
 man in the car so the
 boys then said to go away
 but case - said even to do for
 sometimes the way be ~~and~~
 the some little girl - part
 must - say to her you children
 are unhappy - saying up just -
 will be there now - let us
 then for getting a thing down
 to remember the thought up
 & solution - ~~now~~ something
 everyone had to admit - with
 else counted - ~~the~~ But then
 you rule out things like

it - later a long time - He was having
 his chance to clear things
 up in his own mind &
 he'd done it - ~~much~~ of us
 know it - but - Lady - his
 first - speech here from when
 he served that - I really
 have an easy time remembering
 all to his plan to ~~put~~ give
 up the old government for
 all - any sense in notes 73 & 30
 seemed you to think of man
 as popular as he'd been to do
 that - what he was an idol
 to think of little D. coming home
 & being ~~to~~ W. - I been holding
 down up in Ch - would be

I ~~handed~~ ^{handed} ~~him~~ ^{himself}
 later - he ft - ~~can~~ a mob - had
 the right & ~~could~~ ^{could} ~~pride~~
 tell you w^h he told the cap
 you w^h he did - they did everything
 to ruin - ~~to~~ ^{to} ~~told~~ ^{told} the
~~bell~~ ^{bell} when he came to work
 he heard the bells when Ring
 along the street - he'd see
 himself again in a camp
 just - working out y^a a
~~sub~~ ^{sub} car wonders he
 & see himself being put -
 death of that f. happened in
 a L.D. - ~~at~~ ^{at} Bell - & tell you
 the new place? - 1 - just -
 fight & he was going
 made 2 ~~sp~~ ^{sp} ~~men~~ ^{men}

to - Peepie began to say - they
not - let - any more people
- they said - the so right - a -
later there in the new one
if the people there don't pick
the one just the same as
they do their boys -

Finally he got down
here - I remember well how well
in all my about his coming
- fair time. I've been a - a - fair -
well they and what they used to
be now - I'd be because in the
and - all the work in the 50's &
fair my fair - they got -
the one - yes see the one
of people there ~~there~~ ~~speaking~~
the had a big speaker

 & this time in head D, Reeple 20
 excited they'd ~~stop within 1st~~

Took on his second look - later
 knew when he'd selected for himself some
 a thing —

Well see I came out of that speech
 knowin' he'd put it right - got
 it down there even L.D. was
~~with~~ ^{goin' never} goin' to be it
~~term to a people's college~~ but of which
~~does it last - from~~
 even L.D. would ~~have~~ be called
 him - him. Made me cold -
 the other about it -

The thing want - right - If he
 L. want - that my my my
 they would have to give up
 what made me extensive my
 how he'd ever got there - even
 done it - I I remember seeing it
 myself. Give ~~for~~ for B.B. here
