Mrs. Mary Schum,
Findlay's Lake, N.Y.

My dear Mrs. Schum:

My sister and I both feel that you should put in a claim to Mr. Osborn, who, I understand, has been appointed Aunt Hattie's guardian, for \$100, and probably more - money that would have been paid you by my sister and I if it had not been that we supposed you would before this have gotten the pension money.

When the weather is a little better, I am hoping that Sarah can go out to see you. Just now she is looking after my brother who is not well, and I am too busy to get away.

If you wish me to write to Mr. Osborn in regard to back money due you I will gladly do so. Please know, my dear Mrs. Schum, that my sister and I thoroughly appreciate all that you have done for Aunt Hattie.

Sincerely yours,
