

January 28, 1937

Dear Mr. Arnold:

Thank you for your cordial letter inviting me to the Annual Dinner of the Knox College Alumni Club. How I wish I could be present, but matters have come up that make it out of the question. I shall do my best to arrange, however, to listen in on the radio play.

Hoping that the dinner will be a fine success as it certainly should be with the program you offer, believe me

Sincerely and regretfully yours

Mr. Wade Arnold
