Messrs. Ottway & Munson,
Westfield, N.Y.

Gentlemen:

I have had no report on the matter of the pension of my Aunt, Mrs. Harriet Knowles, nor any word from the guardian appointed at Findlay's Lake.

My sister and I are particularly anxious that in any adjustment of funds, the claim of Mrs. Schum should be recognized, also that she should be retained as her care taker. Mrs. Schum has for years looked after my Aunt and we would not consent to her being taken from Mrs. Schum's care, being satisfied that she would not be contented anywhere else. We should like to know what the intentions of the guardian are.

Very truly yours,
