REVIEW OF ALL GAMES PLAYED BY LOCAL TEAM

Including Account of Grove City-Allegheny Thanksgiving Game.

While the 1912 football season has not been marked by an unusual number of victories, it may well be regarded as a successful one. Considering the fact that the teams which were on Allegheny's schedule were all of great strength as well as the fact that an entirely new system of play was adopted, the percentage of the year is remarkable. In spite of the loss of several men by graduation, the squad showed evidences of strength even early in the season and soon rounded into a well organized football machine. The work that Coach Dunlap has done during the past season is well worthy of praise, especially when it is remembered that of necessity, he was working with men whom he had not previously known.

On the whole, the schedule itself was one of the most satisfactory of recent years, at least from the viewpoint of the Allegheny rooters. The large number of games played at home as well as the strength of the teams which participated in these contests made the season one of special interest to the college as a whole. Moreover, the opening of Montgomery Field served to make it much easier for the students to attend the games as well as attracting large crowds of town people to all the contests.

Allegheny 0-Hiram 6.

As the Cornell game had been cancelled because of injuries to several of the Allegheny players, the first game of the season was played with the strong Hiram eleven. Because of the tie score which had resulted in the game of the previous year as well as the fact that this was the opening contest of the newly dedicated Montgomery Field, the Allegheny rooters were especially anxious for a victory. However, it was evident, even early in the game that they were to be disappointed. The inability of the Blue and Gold line to stop the heavy Hiram backfield men as well as an apparent lack of team work in the Allegheny back field were largely responsible for the defeat.

Allegheny 0-Mount Union-Scio 12.

In the second game of the schedule, the ability of the Allegheny team to hold Mount Union to a low score was considered as good as a victory. Fresh from their recent victory over Case, which has one of the strongest teams in the famous "Ohio Big Six," the Ohioans were confident of making a large score on the Allegheny team. In the first three-quarters of the game, however, the Blue and Gold kept the ball in Mount Union's territory and at several times had opportunities for touchdowns. In the last quarter of the game, the Ohioans showed more strength and scored two touchdowns by means of long forward passes.

Allegheny 6-Geneva 17.

For the first time in three years, Geneva succeeded in defeating the Allegheny eleven in rather a one-sided contest. As in the Mount Union game, much of the responsibility for the defeat was found in the inability of the secondary defense to break up the forward passes of the opponents and several lucky recoveries of fumbles during the first half gave Geneva her chances to score. In the latter part of the game, however, the Allegheny team showed more strength and kept the ball in their opponents' territory.

Allegheny 7-West Virginia 8.

The Allegheny team lost to the University of West Virginia by a margin of one point. Although the West Virginians were outplayed throughout the game, they were able to win a victory when the slippery condition of the ball caused a fumble resulting in a safety on Allegheny. Allegheny's score came on a long pass from "Bill" Dotterrer to Thomas, who crossed the goal after a long run through a broken field. It was in this game that Allegheny's line first displayed the strength that characterized its work during the remainder of the season.

Allegheny 0-Buchtel 0.

Allegheny rooters were pleasantly surprised when the first reports came that the Blue and Gold eleven had held the heavy Buchtel team to a tie score. Before the game the Buchtel rooters were confident of an easy victory and were only disputing as to what the size of the score would be. However, it was soon evident that their confidence was misplaced as the Allegheny team kept the ball in Buchtel's territory throughout the game and reached their five yard line at one time. In the meantime the Ohioans were only able to secure one first down after the first period and consequently were constantly compelled to punt. Arnold distinguished himself in this game by capturing five forward passes for long gains.

Allegheny 44-Westminster 0.

At least from the viewpoint of the Allegheny rooters, the Westminster game was the best on the schedule. Westminster started the game at a fast pace but were soon completely outclassed and by the end of the first half were at the small end of a 19-0 score. In spite of the weight of the blue and white line, they were unable to hold their opponents who opened large holes through which the Allegheny back field gained almost at will. During the game "Bill" Dotterrer carried the ball from his back field position for gains aggregating 143 yards, while "Bugs" Miller was a close second with 133 yards to his credit. In the meantime Arnold had also been busy and had completed negotiations for an additional 129 yards.

Allegheny 0-Grove City 9.

Allegheny kicked off to Grove City, and the ball was brought down to the 40 yard line. They immediately tried the line plunge and made three yards, but on the next play Fugate tackled Veach behind the line and Grove City lost a yard. Failing to make the distance the Red and White punted and Fugate recovered the ball on the 43 yard line. By a series of line bucks, "Bugs" Miller gained seven and "Bill" Dotterrer 11 yards. Ricker then tried a punt which Grove City recovered, and after loosing 12 yards they punted back to the 40 yard line. The ball was again in Allegheny's possession and Thomas rounded the end for a six yard gain. Arnold lost two yards when caught behind the line. Fugate fumbled on a forward pass and the Red and White were again in possession of the ball. Veach made a gain of three yards around right end, but the next two plays sent through Allegheny's line found a stone wall and they were compelled to punt on fourth down. Arnold caught the ball and advanced to the middle of the field. Another interchange of punts landed the ball on Grove City's 32 yard line with the ball in Allegheny's possession. Ricked sent "Bill Dott" through the line for a three yard gain and "Bugs" for four more. From the 25 yard line Miller tried for goal but missed by three feet. Grove City put the ball in play on their 25 yard line and fumbled on the first play. Miller recovered the fumble and went over for a touchdown, but the referee claimed that he had blown the whistle before Miller got the ball and for that reason ruled the touchdown out. The ball was given to the Grove City eleven on their 23 yard line and the first play used was that "Old Grand Army Gag" by which Black gained eight yards around end. After the next play the timekeeper whistled for the end of the quarter with the ball on the 30 yard line and the score 0-0.

On the first play, Grove City was thrown for a loss of three yards. "Chuck" Dotterrer intercepted a forward pass and with only three men between him and the goal and a touchdown looming up before him, he made a desperate effort in spite of his bad knee. He was downed on the 13 yard line. "Bill" Dotterrer was sent through the line but was able to gain only eight yards and on the fourth down Grove City got the ball on their five yard line. They punted to Ricker on the 19 yard line, and on Ricker's pass again got the ball, this time on their two yard line. The ball had now been in Grove City's territory most of the time, and after two unsuccessful attempts at the line and an end run another series of

Captain Miller, '14.

The record of Captain "Bugs" Miller in football in Allegheny has been one at times rather spectacular. For the last three years he has played behind the line with great effectiveness and a large percentage of the gains that were made were the result of his skilful dodging and heavy plunging through the opposing defense. He especially shone in that way this year in the Geneva and Westminster games, and to him belongs the honor of making the first touchdown on the new field. He can be counted on for great things next season.

Captain Miller.

Manager Galbraith, '13.

The greatest satisfaction has been manifested by the members of the football team and the student body as a whole in the efficient manner in which Manager Galbraith, '13, has taken care of affairs during the season and especially with the excellent schedule he arranged.

"Bill" Dotterrer, '13.

"Bill" Dotterrer's stellar career for four years on the 'varsity team of Allegheny College is brought to a close this season, but this fall's work can without doubt be called his best. As a result of his former years' habit of breaking through the line for large gains his heavy line smashing was depended on to a large extent with the certainty of advancing the ball. In that Mt. Union game the way he carried the "pigskin" down the field by successive smashes for almost seventy-five yards and within ten yards of their goal was one of the most brilliant pieces of work that an Allegheny man has done on the football field and will not soon be forgotten. "Bill" leaves behind him an exceptional record at full-back.

Hall, '13.

Hall is another who will be lost from next year's team by graduation. For two years he has made a place on the varsity, and at his position of left guard has done fine work in blocking assaults on our line. While he has not played a particularly brilliant game he has been on the job all the time working hard, and his steady plugging had a great deal to do with the stability of the line for which our team was especially noted.

Fugate, '13.

This elongated lad also has played his last game of college football. Coming here from State College for the second semester last year, he did not get a chance to try out for the football team, but this fall he immediately made good at end. His best work was in breaking up runs around his end.

"Chuck" Dotterrer, '14.

"Chuck" is the biggest man on the team, outweighing almost any other man by twenty pounds, but he knows how to use his weight to great advantage, too. At his position of left tackle he was a perfect mountain in the way of any advance by the opposing team through his territory. But not only was he invincible on the line; he was also frequently called on to carry the ball, in which case it was almost impossible for anything to stop him. A feature of his work this year was his long punts and forward passes.

Thomas, '14.

"Puss" is one of those Meadville High School men who have done so much in college athletics. On account of injuries sustained several years ago he had to be taken from the game a number of times, but whenever on the field he has always showed his gameness by playing his hardest even though not able to be there at all. From end he pulled down a number of forward passes one of which at West Virginia resulted in a touchdown, his speed being one of the assets of the team.

Ricker, '15.

Quarter-back Ricker was responsible for the direction of the team's play, and his heady work was a feature of every game. This was his first year on the team and he was able to hold it without competition throughout the whole season, playing in all of every game. He excelled in his punting, in running punts up the field and in his accurate forward passes. He is another who hails from Meadville High School.

Gilbert, '15.

Center Gilbert's work this season was characterized by his ability to keep the men on the jump. Besides his liveliness in passing the ball, he was a valuable man on the line both on the defensive and especially in opening holes for the back field men. He also had a faculty of getting past the opposite line when interference was needed. "Gil" was one of the standbys this season.

J. Pierson, '14.

"Johnnie" Pierson at right tackle and end played an excellent game this season and has certainly earned his "A." A number of times he was able to recover fumbles and to bring down runners when the goal was in danger. He has been on the squad since he was a freshman and has been called into the game often, this being the first year, however, that he played at the tackle position. Next year with his experience he will undoubtedly be one of the "old reliables."

Arnold, '16.

Arnold was the only first year man to make the team, he coming here from State, but the work he did this year was worthy of a veteran. The way he ran punts up the field with little or no interference; his great ability in handling forward passes; and his excellent end runs mark him as "a comer" and one of the most valuable men on the team. He played left half.

Ball, '13.

"Ben" was a regular in his Sophomore year and this year took part in several 'varsity games. He was handicapped by a bad knee which kept him out of the game most of this season.

Baker, '14.

Another of the local high school representatives on the varsity who played a fine game throughout the season is Baker. He is a husky lad, and at right guard has been a great factor in stopping the onslaughts of opposing back field men. He also will be a valuable asset for 1913.

H. Pierson, '16.

"Hez" gave his brother a close battle for honors and came within a quarter of a game of earning his letter. His specialty was pulling down long forward passes for big gains and was Thomas' second at left end.

M. Dotterrer, '15.

"Mel" has been on the squad for two years and has done good work. He shows signs of following the example set by his two big cousins.

Brooks, '15.

Brooks, the former "Prep" star, proved himself very capable when substituted on the line.

Murray, '16.

Murray also showed himself of good varsity material, several times relieving line men.

Cuts For This Issue

The lateness of this paper is due to the failure of cuts of the 'varsity team, the coach and the manager to arrive. These were ordered last week but at noon today had not yet arrived so it was necessary to publish the paper without them.

SPECIAL SERVICES FOR MEN ALL THIS WEEK

Being Conducted by Dr. T. R. Thoburn of Erie.

Last night the first of the series of evangelistic meetings to be conducted here this week was held in the Y. M. C. A. rooms in Cochran Hall. These special services were started three years ago when the Reverends Robert E. Brown, '01, and H. L. Smith, '04, were here as leaders. Last year the same men were present and aided the cabinet in holding meetings that were wonderfully successful. This year Rev. Mr. Brown and Rev. Mr. Smith are so engaged that it has been impossible for them to lead the meetings here. However, Dr. Crawford secured Rev. T. R. Thoburn, whose experience and reputation assures us of his ability as a men's worker. Dr. T. R. Thoburn is a graduate of Mount Union College and at present is pastor of the First Methodist Episcopal Church of Erie, Pa. His talk to the men last night on "The Spirit of Inquiry" showed him to be a "man's man." He has always been most sincerely interested in the spiritual welfare of the men of Allegheny College, and no man in school can afford not to hear him. The meetings will be held every night this week until Saturday. They will begin promptly at 6:45 and will be only one hour in length so that no one will need to neglect his work to attend the meetings. Dr. Thoburn will also be in charge of the Chapel services and the college calendar for the week is given over entirely to him.

Basketball Next

Prospects Bright for Winning Team This Year.

On yesterday afternoon the initial basketball practice of the season was held in the Gym with the squad of last year composed of Captain Hawk, '13, Thomas, '14, Lindberg, '14, Nichols, '14, Mates, '13, Ramsey, '14, and Graham, '15. The new suits and shoes ordered have not yet arrived, but the old ones from last year are being used. There were a number of new men out, many from this year's Freshman class, and from present indications Allegheny will be represented by one of the best teams that she has had in her history.

It is the plan of Coach Dunlap to organize all the class teams and let them practice against the 'varsity, each team taking its turn in rotation. In this way he hopes to enthuse more spirit in the practices and thus get more men interested in the popular indoor sport.

Manager Perley is hard at work on his schedule and hopes to bring a great many strong attractions to the local floor.

The schedule which has been planned will have to be changed somewhat before it is adopted since the New York trip has been canceled and another may be arranged for, to include Washington and Baltimore. The schedule as it now stands will consist of three trips, one to Pittsburgh and vicinity, one to Ohio, and one to the east. The schedule is merely tentative, however, and may be somewhat altered before its final adoption. There will probably be about ten or twelve games this season, and of these at least six or seven will be played on our home floor.

DECEMBER 3, 1912.

Men's week at Allegheny has come to be considered one of the traditions of the college on account of the place given to it in the college calendar. For the past three years these meetings have been held with undoubted success and the good that has come of them has been of no small value to the college community on account of the helpfulness and inspiration that pervades them. The Faculty will direct the work of the week so as to make as few conflicts as possible so that the men of the college can well afford to arrange their schedule in the same manner and plan to give over the entire week to the meetings. Dr. Thoburn is a "man's man," and his talks will be well worth the small amount of time which they will require.

Men's. Week.

It has been the custom of The Campus for a number of years to devote an issue soon after the close of an athletic season to the sport which has just ended. For that reason we are giving this week a brief review of the season together with small tributes to the men who have put in so much of their time to give Allegheny representation in the football world.

The Football Number.

Viewed from the standpoint of victories, the season of 1912 has not been unusually successful, but viewed from the standpoint of real football, the season has been one of the most successful in recent years. Practically an entirely new team has been developed and material has been rounded into shape which will be invaluable to a championship team for next year. And even considering the defeats, we might even say that the Westminster victory paid up for all of them.

The Coach and players are to be commended for the work that they have done this year and for the spirit that they have shown throughout the season. With such material in college next year and with the same determination on the part of Coach Dunlap we have every reason to expect the best team for Allegheny for 1913 that has ever represented the college.

EAVESDROPPINGS OF A CAMPUS REPORTER.

A Campus reporter, ever on the lookout for news, heard a strange commotion from one of the club rooms in the Library. Making use of his reportorial prerogative he stood outside the door and eavesdropped for a few minutes.

"Great! Why it'll be simply the grandest thing we've ever had on the Hill," he heard one voice say.

Then another: "Think of it! Why, I never saw a real live poet in my life. And they say he can tell the dandiest fairy stories."

"And best of all, he's an Irishman; they call him the Irish Homer and—"

But the reporter had dropped his pencil; his presence was betrayed. In a moment they had surrounded him. "The very man we want! We'll make him put it in The Campus:—**'Mr. Seumas MacManus, the great Irish poet and story-teller, will lecture in the Chapel on December 16th.'** How's that?"

So they made the reporter swear a solemn oath by the eternal verdure of the Emerald Isle that it should thus be written on the pages of history and of the Allegheny College Campus.

YOUNG LADIES OF HULINGS HALL ENTERTAIN.

Miss Spalding and the young ladies of Hulings Hall were "at home" to the Faculty and about one hundred men of the college on Thursday evening at their annual Thanksgiving party in Hulings Hall, the first and second floors and the gymnasium being thrown open for the entertainment of the guests.

A receiving line of ten young ladies with Miss Spalding at the head, welcomed the guests as they entered. Each person was given a program to be filled out, which consisted of a series of fifteen minute conversations, the first hour being taken up by arranging for these. Various forms of amusements were to be found in different rooms while in the gymnasium an orchestra played throughout the evening. The halls and corridors were trimmed with spruce and evergreen while the gymnasium was arranged like a small park with trees and benches scattered about the room and Japanese lanterns hanging from the pine at different points. During the evening light refreshments were served in the dining room. At eleven o'clock the girls gathered on the stairs to sing the Allegheny songs as the guests departed.

BISHOP BURT HERE FOR NEXT SUNDAY.

On next Sunday afternoon at three o'clock the third of the series of college sermons will be preached by Bishop William Burt of Buffalo, N. Y., in Ford Memorial Chapel. Dr. Burt is one of the leading orators and preachers of this country and is known throughout the world as a churchman. In addition to this, the position he has so long held as bishop to Europe has made him an authority on missionary matters. Dr. Burt is the father of W. W. Burt, '10.

Dr. Burt is a graduate of Wesleyan University, '79, and Drew Theological Seminary, '81. Since then he has been actively engaged in the Methodist ministry, especially in Italy where for fourteen years he was in charge of the schools and churches of that denomination, also building many new churches and colleges in that country. At the general conference at Los Angeles in 1904 he was elected bishop. In 1903 he received the order of Cavalliere di S. S. Muhizzo Lazzara from the King of Italy, an honor which very few foreigners receive. The last general conference at Minneapolis made Dr. Burt the resident bishop of Buffalo, which episcopacy includes Meadville.

FOOTBALL COMPARED TO THE GAME OF LIFE.

The large number of men who came out to the Y. M. C. A. meeting last Wednesday evening to hear "Bill" Dotterrer speak on "Hitting the Line, and Where," were not disappointed in their expectations for something good. The speaker compared the game of life to the game of football and showed that it takes the same grit and determination and training to succeed in life that it takes to succeed in football. One essential in which the game of life differs from football is the fact that all may enter it with equal chances, the small as well as the large man being able to star in the game. It takes moral courage to play the game of life well, and the man who falters when he faces a moral question is just as yellow and just as despicable as the man who falters at a hard tackle on the football field. In life there are many scattered temptations to meet even after we have met and mastered the line which hinders us in making a start, but we must either avoid these temptations or go over them. We as Christians playihg the game of life have the Bible as our rule book and Christ as our coach. If we are courageous; if we keep close to our Coach through prayer; and if we study and obey the rules we cannot fail to win out in the game.

HULINGS HALL NEWS.

The Misses Cecilia and June Shires, '12, were guests of Miss Janet Ellis, '15, and Miss Ethel Gaely, '15, Friday at dinner.

Miss Elizabeth Lord, '13, and Miss Helen Harper, '13, spent Sunday at Franklin.

Miss Marie Jones, '15, spent the week end at her home in Youngstown, O.

Miss Augusta Gibbons, '12, of Butler High School, was the guest of Miss Ruth Browning, '14, at dinner Wednesday.

Miss Ernestine Whipple of Oil City spent a few days last week with her sisters, Misses Charlotte and Marion Whipple, '16.

The regular Sunday evening prayer meeting was in charge of Miss Linda Holt, '14. She treated her subject, "Common Opportunities," in a very helpful way, and showed how it is the use we make of even our smallest talents, that produce a true Christian life.

Miss Frances Norton, '13, spent the week end at her home in Sherman.

Miss Acher of Grove City and Miss Edna Hoot of Mars, were the Sunday dinner guests of Miss Edna Yost, '13, and Miss Frances Barnhardt.

Mrs. Beatty and Mrs. Angove of Oil City were the guests Saturday and Sunday of Misses Irene Beatty, '13, and Marguerite Beatty, '15, and Miss Dorothea Angove, '16.

The following were Thanksgiving guests at the hall: Miss Helen Reets of St. Mary's School, Buffalo; Miss Martha Sansom, Clarion; Miss Ruth Deland, Sheridan; Miss Bess Emery, '11, Union City; Miss Margaret Megirt, '12, Union City; Miss May McKinney, '09, Corry; Miss Nulu Neale, '08, Reynoldsville; Miss Marie Waring, ex-'14, Mansfield.

The following girls spent Thanksgiving at their respective homes: Miss Marie Howell, '15, Westfield, N. Y; Miss Caryl Reynolds, '15, Pittsburgh; Miss Marion Miller, '16, Erie; Miss Esther Cousins, '13, Hadley; Miss Dorothea Abrams, '15, Jamestown, N. Y.; Miss Lilian Nelson, '15, McKeesport; Miss Helen McKenzie, '16, Oil City; Miss Gertrude Hammond, '14, Reynoldsville; and Miss Mary Bardall, '14, Moundsville, W. Va.

The Thanksgiving dinner at Hulings Hall was as usual an important and pleasant affair. The dining room was beautifully decorated with smilax, while the tables held centerpieces of fruit, and at each place a rose, a place card, and a menu card. During a most delicious dinner of eight courses, songs appropriate for the time and place were sung by the girls at the various tables, each group trying to outdo the other.

The regular Wednesday Y. W. C. A. meeting was led by Dr. Elliott, who gave a talk on the real meaning of Christianity, basing his talk on the sayings of Jesus, "Beware of the leaven of the Pharisees," and "If any man will come after me, let him deny himself, and take up his cross and follow me," meaning by the leaven of the Pharisees selfishness, and by the last saying, selfishness.

MISSION STUDY.

In the absence of Professor Ross the Mission Study class was in charge of Dr. Benjamin who gave an interesting outline of the fifth chapter of the text. At the beginning of the meeting R. H. Downing, '15, rendered a solo.

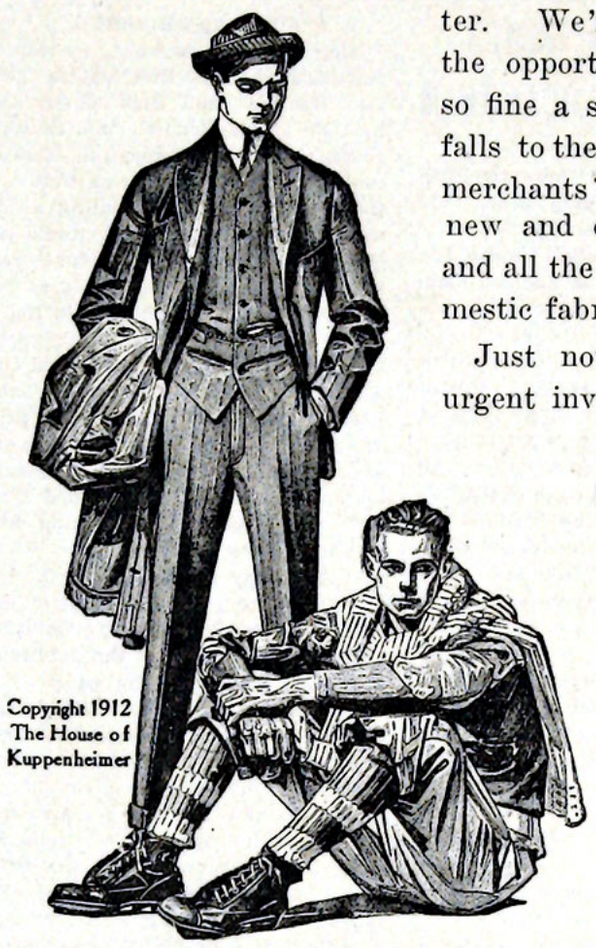

Dr. Benjamin gave an interesting talk on South America from a political and economic standpoint. It is the country of to-morrow and a great many Germans who have had the special training are in reality running the country commercially and of course in time will have a great deal of political influence.

It appears that last year there were 4,500 students from foreign countries pursuing courses in American colleges, this being the largest number in any year yet. Of these 900 came from Canada, about 300 from Mexico, 700 from West Indies, 540 from China, 415 from Japan, 125 from the Philippines, 21 from Korea, etc. Even Germany, with all her great universities, sent 145 of her sons to this country to study.—Ex.

The Rev. John Crawford of Manhattan, Ill., is visiting his son, President W. H. Crawford.

Clarence D. Baker, '10, and C. A. Baum, '12, were guests of the Delta Tau Delta fraternity over Thanksgiving.

Glenn Davison, '12, instructor in the Monessen High School, was among the alumni visitors for the Grove City game.

R. M. Ginn, '08, was among the visitors on the hill on Thanksgiving Day and attended the Grove City-Allegheny game.

Charles Hasley, '12, also was a visiton on the hill for Thanksgiving Day and while in the city was at the Theta Delta Psi house.

J. W. Barkley, '11, spent the week end on the hill and helped swell the band of interested alumni at the game on last Thursday.

Dr. Lee gave a number of lectures of scientific interest at the teachers' institute held at Connellsville, Pa., last Friday and Saturday.

J. R. Crawford, '06, of the department of Latin at Columbia University, visited his parents over Thanksgiving and returned to New York Sunday evening.

H. T. Lavely, '12, who is teaching in the Ashtabula High School, spent Thanksgiving with his family in Meadville and was one of the interested spectators at last Thursday's game.

On Friday evening, F. W. Fabian, '15, gave an informal party at the home of Mrs. Mary de Yarman in honor of Miss Weir J. K. Henderson of Jamestown, N. Y., who spent Thanksgiving here.

Dr. Elliott represented Allegheny at the annual session of the Association of Colleges and Secondary Schools of the Middle States and Maryland, which was held in Philadelphia, Friday and Saturday of last week.

I. D. Ford, '11, of Conemaugh, returned home Sunday, after spending the past few days visiting friends here. Mr. Ford declined a position on the faculty of Meadville High School last year to accept the assistant principalship of the Conemaugh High School.

Delta Tau Delta entertained as guests at Sunday dinner: Dr. D. L. Dunlap, Prof. M. H. Dewey, Wm. Dotterrer, '13, Ben H. Ball, '13, H. J. Wieler, '13. Their alumni, C. D. Baker, '10, H. T. Lavely, '12, O. H. Bodenhorn, '12, and C. A. Baum, '12, were also present.

S. H. Norton, '13, is at the Lakeside Hospital in Cleveland. His knee which has been troubling him for several months will be operated on sometime this week, and it is assured that amputation which was at first thought of will not be necessary. It is hoped that he will be able to return to college at the beginning of the second semester.

Dr. Frank T. Stockton, '07. instructor in Economics at the University of Rochester, was the speaker at the monthly dinner of the Rochester branch of the American Institute of Banking, held at Rochester on the evening of November 22. His subject was "Taxation of Corporate Securities and Other Forms of Intangible Property."

The Sigma Alpha Epsilon fraternity entertained a number of friends at 6 o'clock dinner on Thanksgiving day. Among the guests present were Mrs. Lee, Miss Augusta Gibbons, '12, Miss Catherine Shaner of Butler, Pa., Miss Ruth Browning, '14, Miss Sarah Wiley, '15, Miss Edith Sutton, '15, Mr. Blackburn of Monessen, Pa., and G. H. Davison, '12.

On last Thursday morning, the high score for duck pins on the Cochran Hall alleys was raised to 171 by F. O. Amon, '12. He also won the box of candy for the best average made in five consecutive games. His average for these games was 129 4-5, while that of M. N. Croasmun, '13, the second highest, was 123 4-5 for the same number of games.

The active chapter of the Phi Delta Theta fraternity entertained at dinner at their chapter house on Highland Avenue on last Saturday evening. Miss Martha Sansom of Clarion, Pa., Miss Xena Acher of Grove City, Miss Edna Hoot of Mars, Pa., Miss Beulah Loishley of Warren, O., and Miss Beulah Wells of Wellsville, O., were out of town guests. Mr. T. S. Meek, Tennessee Alpha, '80, and Mrs. T. S. Meek and Professor C. F. Ross and wife acted as chaperones.

During the past week the November issue of The Literary Monthly made its appearance on the campus and lived up to the advance notice given it in the last issue of this publication. The large amount of original material that is being printed in this magazine speaks well of the "literati" of Allegheny. This year the publication is arousing more interest in the student body, there being a larger number of subscribers than in any previous year since its publication.

The entire assembly period on last Friday morning was given over to a college sing, the first of a series which is to be the feature of succeeding services. The sing was in charge of Hugh Wells, '13, leader of the Glee Club, assisted by the entire Club on the rostrum. Two new songs, "The Marching Song," by G. W. Mead, '11, and "Alma Mater, Beatissima," by Joseph Dempster Hammond, '66, were tried with great success. At the close the Glee Club rendered one of their selections.

The 'varsity question, "Resolved, that the several states should adopt the principle of compulsory arbitration for the settlement of labor disputes, constitutionality conceded," was given a thorough discussion in the regular meeting of the Forum on last Friday afternoon in Philo- Franklin Hall. The debate was ably upheld by the affirmative, composed of C. W. Flick, '15, and Leo McKay, '16, and the negative composed of Roy Peterson, '13, and E. W. Hoffman, '16. A count of the ballot taken gave the decision to the negative by a close vote. After the regular debate a great many men expressed their opinion pro and con upon the question and this added greatly to the interest of the meeting.

The first regular meeting of Le Petit Salon was held last Monday afternoon in the Hulings Hall parlors. The first part of the program was given over to the reception of the following new members, Misses Ethel Bayard, '13, Rose Williams, '13, Eva McKinney, '13, Ruth Baldwin, '13, Marie Poux, '13, Ada Thompson, '14, Ruth Kelsay, '13, Elsie Williams, '13, Althea Hunt, '14, Harriet Bassett, '15, Emma Waring, '15, and Mr. Pierrepont Nichols, '15. The remainder of the time was taken up with games played in French, and at the close of the afternoon light refreshments were served. Miss Frances Norton, '13, and Miss Helen Harper, '13, acted as hostesses. The meeting was considered the best in the history of the club.

The custom of holding a sunrise prayer meeting on Thanksgiving morning was fittingly observed on last Thursday in the Oratory with the largest crowd present that ever attended one of these meetings. The service began at seven o'clock with singing, the meeting being in charge of the Y. M. C. A. president, Mr. Wieler, '13. After five or six prayers expressing the thanks of the students for the prosperity and blessings of the year, J. G. Lane, '14, spoke. It was the expression of thoughts most appropriately drawn from the twenty-third Psalm, which he read. He touched upon the subject of helpfulness and the relations that exist between the students, by means of which, they can be of greater service to their fellows.

The Classical Club met last Tuesday evening in the Phi Kappa Psi house instead of in the regular rooms in the Library, the purpose of the change being to give Dr. Elliott an opportunity to explain the value and importance as a work of art of the frieze which hangs in the Cochran parlor of the fraternity house. W. R. Hofelt, '13, was elected chairman of the meeting. At the first meeting of the year Professor Ross had suggested that all the business of the club be transacted in Latin, and Mr. Sparling, the secretary of the organization, proceeded to follow out that suggestion by reading the minutes of the two preceding meetings in Latin. It was found necessary, however, to read them in English before approval. Mr. Rea, '13, then read a paper which had been left over from the preceding meeting on the Olympic Games. The program for the evening dealt with the Muses and Graces in ancient and modern literature. Papers were read by H. J. Hartman, '15, Miss Isabella Thoburn, '14, and Miss Mary Walters, '13. Dr. Elliott used the remainder of the time in explaining the frieze. At the end of the meeting the initiates gave speeches in Latin.

SORORITIES TO ISSUE BIDS NEXT SATURDAY.

Next Saturday, December 17, is bidding day among the four women's fraternities, Kappa Alpha Theta, Kappa Kappa Gamma, Alpha Chi Omega and Alpha Gamma Delta. The invitations will be mailed so that they will be received by the new girls at noon. The Pan Hellenic Committee has issued the following statement:

No new girls shall be eligible to join a fraternity unless she is carrying twelve hours work at Allegheny and maintaining an average of at least C in three-fourths of her studies and a passing grade in all.

All new girls not fulfilling these conditions shall be under the rules of the Pan Hellenic contract until the close of the first semester.

Answers to invitations shall be in writing and shall be presented to one member of the fraternity from whom information can be obtained. All unaccepted invitations shall be returned.

Older girls shall not be with the new girls on "bidding day," and there shall be no communication whatever to the new girls on fraternity matters until answers are received.

The enrollment at Michigan this year is 6,620, an increase of 168 over last year.

Penn State by virtue of its victory over Pitt last Thursday, becomes the state champions in football for 1912.

The Second Team

Whose Faithful Work Did Much for Allegheny's Football.

The scrubs have worked hard and faithfully all season and have finished the season with a percentage of 1000 for their effort. The loyal support given the 'varsity throughout is worthy of much commendation and it may be said that in this past season very few nights went by without a full second team ready to line-up for scrimmage.

On October 26, they went to Edinboro and defeated the heavy Normal School eleven of that place 14-6. On last Saturday they visited Greenville and returned home with a 19-13 victory over Thiel College. In both games, although outweighed by their opponents, the scrubs came out on top by their consistent and gritty work. Other games had been arranged with various high schools in this section, but were cancelled by the foreign managers at the last minute.

Bash, '16, proved himself an able captain for the scrubs as well as a good line plunger and defensive player. He also played good ball in the Freshman-Sophomore contest.

Munhall, '16, distinguished himself by the ferocity with which he tackled the backfield men and the way he sometimes tore holes in the 'varsity defense.

Cox, '16, was one of the speediest players on the entire squad and played a most consistent game at end and quarter. His head work in the Thiel game was in a good part responsible for the scrub victory.

Metcalf, '15, is one of the most experienced players and consequently proved one of the mainstays of the back field. His work in the Edinboro game was of the highest order. He also captained the Sophomore eleven.

Curry, '16, at right guard, was responsible for stopping the line plunges of the 'varsity backfield and was a sure tackler in the open field.

Witherup, '15, at right end often slipped in between the 'varsity interference and brought down his man notwithstanding his size. He was also especially successful in bringing down forward passes.

Mates, '13, at quarter back put so much "pep" into the scrubs' playing that at times they were able to score on the 'varsity. Until forced to leave the game on account of parental objection, he was the headiest man in the backfield.

Stevenson, ' 16, played a strong game on the line and often kept the 'varsity from gaining by his strong defensive work.

Harper, '14, was another strong man on the line and a sure tackler, noted for his sharp elbows and knees.

Allshouse, '15, hit the line hard and could be depended upon to make gains most of the time.

Kramer, '16, also did some good work on the line in the early part of the season.

C. A. Miller, '15, was one of the best punters the scrubs had and could be depended upon to play a strong game on the line.

Among the other men who came out to scrimmage when there seemed to be a scarcity of material for scrimmage practice were: McQuiston, '16, Scott, '16, E. R. Kramer, '13, Zelwis, '14, and Taylor, '15

GROVE CITY.

Continued from Page One.

punts landed the ball on Grove City's 10 yard line, in their possession. Kisskaddon was carried back for two yards' loss. He then booted the ball out to safety, and the remainder of the half was spent in punting. The ball was still in Grove City's territory when the whistle blew. Allegheny seemed to have had the best of Grove City during the first part of the game and had put the ball on the five yard line several times.

The second half was entirely different from the first. Grove City's coach evidently filled their players with enthusiasm and some good pointers between the halves for as soon as they got the ball after the kickoff, they began some spectacular playing. Black received the ball on the 45 yard line and gained 10 yards on the first play. The next two line plunges added seven yards more, and Veach got through the line for 15 yards. They then tried an end run and gained seven yards. Miller got through the line and the Red and White suffered a loss. This encouraged Allegheny, and on the next play, they presented a stone wall and captured a fumble. They advanced to the 40 yard line and punted the ball into Grove City's territory. The ball came back again to the 25 yard line as the result of several long passes. The next play was a wide end run and shift formation with Veach carrying the ball. He crossed the goal line for the first score of the game. Acher tried goal but missed. The third quarter ended with the ball in the center of the field and the score 6-0 in favor of Grove City.

At the start of the fourth quarter, Ricker caught the ball on the 32 yard line. Six yards were gained through the line and two were lost on an end run. A forward pass failed and a long pass from "Chuck" Dotterrer to Fugate went out of bounds, putting the ball in Grove City's possession on their 22 yard line. They again put the delayed forward pass into action but gained only a few yards by it. By successive gains through the line and around the ends the ball was gradually pushed into Allegheny's territory. Veach then circled right end for 10 yards and Greene got three yards through the line. Acher tried for a field goal, but failed. The Gold and Blue took the ball on the 20 yard line and punted it out to the middle of the field. Grove City returned the punt and got the ball again on the 35 yard line by a fair catch. From this position Weil kicked goal adding three more points to their score. Sutton kicked off to Grove City, but the timer's whistle ended the game with the score 9-0.

Lineup:

Grove City—9.		Allegheny—0.
Acher	L. F.	Thomas
Morrow	L. T.	C. Dotterrer
Weil	L. G.	Hall
McCord	C.	Gilbert
Grossman	R. G.	Baker
Gaut	R. T.	J. Pierson
Hazelwood	R. E.	Fugate
Black	R. H.	Miller
Veach	L. H.	Arnold
Greene	F.	W. Dotterrer
Kiskaddon	Q.	Ricker

Touchdown, Veach; goal from field, Weil. Substitutions—H. Pierson for Thomas, Graham for Fugate, Brooks for Hall, Fugate for Graham, Murray for Brooks, Sutton for Murray, Thorn for Black. Referee, Cosgrove of Cornell. Umpire, Hammond of Michigan. Head linesman, Frye of Pittsburgh Athletic Club. Time of quarters, 15 minutes.

Notes of the Game.

There was more punting in the Grove City game than in any other game of the season. This is accounted for by the fact that the condition of the field would not permit much straight football.

The Grove City contingency let four carrier pigeons loose between the halves. Streamers of red were attached to the pigeons and they presented a very inspiring sight as they flew over the field. Just after Veach got the touchdown in the second half one of the pigeons returned and flew across the field—"Mirabile dictu."

THE VARSITY ELEVEN.

Continued from Page One.

Trace, '16.

Trace, another of the Meadville High squad, played in good form in the games he was in.

Graham, '15.

Graham, by the way he handled forward passes gives promise of taking a prominent part in that line next year.

Sutton, '16.

Several times when Gilbert was removed on account of injuries the big freshman, Sutton, was put in his place and surely made good.

Hughes, '16.

Hughes, also a Freshman, was sent in, too, in a couple of games. He has the weight and the ability and can be counted on for something better next season.

Campman, '16.

This tall Freshman early in the season showed his ability at half back. Througout the season he was in the game but did not succeed in earning his letter, owing to injuries.

FINAL FOOTBALL RESULTS.

When State completely overwhelmed the University of Pittsburgh on Forbes Field last Friday by the score of 30 to 0 they showed their superiority over the gold and blue in a most decided manner. State now holds the championship for Pennsylvania this season, having defeated the University of Pennsylvania earlier in the year. Mt. Union-Scio had little trouble in scoring 33 points to Hiram's 7 on last Thursday. The playing of Mt. Union throughout the season has been of the phenomenal order and some sporting writers rank them as the best team in Ohio. Reserve and Case played a see-saw game in Cleveland, Reserve finally winning 24-13.

Other results:
