EDITOR-IN-CHIEF SELECTS AIDES FOR CAMPUS STAFF

NEW DEPARTMENT HEADS AND REPORTERS ASSUME ACTIVE CHARGE

The new Campus Staff has been chosen for the coming year by Ralph H. Demmler, Editor-in-Chief. Members selected for the new positions represent those who have successfully met unusually keen competition. The present issue has been put out by the new staff, which took charge of the paper at the regular meeting held last Wednesday.

As previously announced, John M. Pratt has been elected Managing Editor, and the three Assistant Editors will be Miss Eleanore Taylor, William A. Risher, and Charles C. Taylor. The new departmental editors who will serve in their respective positions the remainder of this year and throughout the next are: News, Edgar C. Dehne; Society, Edwin J. Schruers; Athletic, John B. Gordon; Feature and Exchange, G. Alfred Palmer; and Alumni, J. Allison Rupert. Robert J. McCollum and George L. Reid will act as special writers The reportorial staff for the coming year will be composed of the following men: Richard L. Beyer, Edwin G. Flint, John Gibson, Oliver Gill, Lester Graf, Betty Jacobs, Charles Kohne, Don L. Larrabee, Kenneth Williams, Richard Helmstadter, Harold Wilson, and Ralph Wright.

The managing editor will be active next year, having charge of all mechanical aspects of printing the paper. The fact that there will be five departmental editors next year instead of four, as previously, will make the competition for editor-in-chief more strenuous.

REUNION HELD BY ALUMNI ATTENDING CONFERENCE

MANY PROMINENT GRADUATES PRESENT AT BANQUET IN SPRINGFIELD

On May 19 the former Alleghenians attending the Methodist Episcopal General Conference at Springfield, Mass., held a reunion and dinner at the Hotel Kimble. The occasion was a world wide reunion, in that several representatives who live in far countries were present. Fifty-one persons attended. They were Bishop Charles E. Locke, '80, of the Philippine Islands; Bishop W. F. Oldham, ex '83, of South America; Bishop H. L. Smith, '04, of India; and Bishop Charles Bayard Mitchel, '79, of St. Paul, Minn. The last named acted as toastmaster. A number of missionaries who are home on leave were among the company. The Bishops spoke, and President Fred W. Hixson made an address. The event was described as one of the finest Allegheny reunions that has been held in some time. One of the outstanding features of the meeting was the showing of a collection of new Allegheny views, which pictured the growth and development of the College better than any amount of description could do. These pictures were made by Dr. C. J. Ling, head of the Department of Physics. Hartley Hartman, '15, led the singing at the banquet.

Tennis Team to Finish Season With Three Day Trip and One Home Match with Westminster

With the present three-day trip and the match at home Saturday with Westminster, the Allegheny tennis team will wind up its 1924 schedule. Yesterday the racquetters met W. & J., today a return match is being played with the strong Pitt team. Tomorrow's match with Grove City will bring the trip to an end. Saturday, the Westminster netters will appear at Allegheny for the last contest of the season.

The strength of these opponents is well known to the Allegheny netmen, and four hard struggles are looked for. Only mediocre success has been attained this season, due to poor weather conditions, and it is hoped that this week's schedule can be carried out without more postponed matches.

NEW SYSTEM ARRANGED TO DISTRIBUTE KALDRON

EACH CLASS IS ASSIGNED SPECIFIED TIME TO PROCURE ANNUAL

In past years the distribution of the Kaldron has been accompanied by great congestion. Although no definite date has been arranged for issuing the current edition, a new and more concise plan has been developed by which the Kaldron may be obtained without the usual monotonous task of waiting in line.

On the decided date, which is to be announced later, the students will call at the treasurer's window as follows Seniors between 11:00 and 12:30 o'clock, Juniors between 1:30 and 3:00 o'clock, Sophomores and Freshmen between 3:00 and 5:00 o'clock. All students must secure their copies at the specified time on the day of distribution, otherwise they will be disappointed.

The cooperation of the student body will greatly assist in the orderly distribution of the desired annual.

DR. ANDERSON AGAIN ADDRESSES STUDENTS

EVANGELIST DELIVERS INGENIOUS CHAPEL TALK ON FOOLS

Speaking in chapel last Thursday morning, May 22, Dr. George Wood Anderson, the evangelist who is conducting special services in this city at the present time, addressed the assembled student body on the subject, "Fools."

In his talk, Dr. Anderson stated that people were at some times wont to call men fools without carefully considering the entire situation before they speak. As an illustration, the evangelist recalled the Wright brothers who were instrumental in the perfection of heavier than air machines. They were universally considered as fools when their activities first became known to the public, but when success came their way, as it eventually did, opinions were changed and the two brothers were called geniuses.

INTERCOLLEGIATE NEWS ASSOCIATION CONVENES

C. W. HAVICE AND J. M. PRATT REPRESENT CAMPUS AT BUCKNELL CONVENTION

Many representatives from member papers convened at the Tenth Annual Conference of the Intercollegiate Newspaper Association of the Middle Atlantic States which was held at Bucknell University in Lewisburg on May 22, 23, and 24. Charles W. Havice and John M. Pratt were the local delegates, Allegheny having been admitted into the association in 1922.

Among the notables who attended the banquet on Friday night were Hon. B. K. Focht, former U. S. Congressman, who spoke on "Washington Journalism," and Mr Lewis E. Thiess, novelist and author, who spoke on "Collegiate Journalism Leading into the Magazine Field." The two men were elected into the honorary membership of the I. N. A. at a subsequent meeting.

Professor James Melvin Lee, head of the Department of Journalism in New York University, and writer of national reputation, was the main speaker at the business session on Saturday. Professor Lee believes that a newspaper should do more than give its readers what they want; it should educate them to the place where they will want what they should have. A journalist must find pleasure in the routine tasks of the day, or he will miss the best life has to offer, a principle that holds true in all other professions as well.

Dickinson College was reinstated and the petition of Cooper Union Institute of New York was granted. The next annual conference will be held at Ursinus College next spring. Several sectional conferences will be held during the year.

COMPLETE PROGRAM FOR 1924 COMMENCEMENT IS ANNOUNCED

Week-End of June 14 is Time Set for Great Annual Occasion

Formal announcement of the one hundred ninth commencement of Allegheny College, Saturday, June 16, has been made.

There has already been mention of the concert of the combined Glee Clubs, which is to act as the forerunner of the program commencing June 14. This concert which is to take place at 8:00 P. M., June 13, will probably include the "Japanese Girl" as presented last week.

The annual meeting of the Board of Trustees at 9:00 A. M. Saturday, June 14, will officially open the commencement program. The outstanding business of this meeting will be to discuss the building program of the College, a great part of which has taken definite being in the form of money and plans.

At 10:00 A. M., the class day exercises will take place at the Rustic Bridge under the direction of Mr. Chase Gage. Following this, at eleven o'clock will be the presentation of the Lafayette Memorial by D. M. Larrabee,'99, of Williamsport, Pa. This memorial is to commemorate the visit of General Lafayette together with his son and suite to the College June 2, 1825, ninety-nine years ago, and whose signature appears on the college visitor's book.

At 2:00 P. M. the election of alumni trustees will take place, while at the same time the Seniors will visit each building on the campus and hold a short exercise in farewell.

Charles M. Courboin, the famous organist who is known to Alleghenians through his former visits, will give an organ recital in Ford Memorial Chapel at 3:00 P. M. Announcement has been made of this before and, because of Mr. Courboin's ability and popularity, little need be said to induce the students and visitors to go.

Four o'clock will mark the meeting of the Society of Phi Beta Kappa in Reis Library. Professor Albert C. Knudson, Ph. D., DD., former professor of Bible at Allegheny will deliver the annual address before this society at 8:00 P. M., in Ford Memorial Chapel.

Concluding the day's events will come the President's reception to the Senior class in Cochran Hall at 9:15 P. M.

The Baccalaureate Sermon will be preached Sunday morning June 15, at the Stone Church by President Fred W. Hixson, LL. D. In the afternoon at 4:30 the annual vesper service will take place on the campus. The Rev. Robert E. Brown, D. D., of Buffalo, prominent Allegheny alumnus, will give the address.

The formal commencement exercises will be held Monday, June 16, at 9:30 A. M. in Ford Memorial Chapel. The commencement address will be made by Bishop William Fraser McDowell, LL. D. The conferring of degrees will end the exercises. Alumni prizes and other awards are made at this time also.

At 1:00 P. M. the College will give a luncheon to the alumni, in the gymnasium.

The commencement program will end with fraternity dinners to be given later in the day as the various fraternities have planned.

Appended to the official program are these notes.

Registration headquarters will be open in Bentley Hall. This will be information headquarters also.

Classes due to hold reunions will please communicate with Dr. W. A. Elliott as to places for holding special meetings.

Alumni and official visitors are invited to be the guests of the College at the noon luncheon on Monday in the College Gymnasium. Places will be reserved for those who notify Miss Edith Rowley, Reis Library, in advance of their acceptance.

Classes due to hold special reunions are 1919, '14, '09, '04,, 1899, '94, '84, '74.

1924 FOOTBALL CARD FINALLY COMPLETED

ALLEGHENY TEAM TO HAVE STRENUOUS COMPETITION NEXT YEAR

Graduate Manager Townsend has at last been able to announce the complete football schedule for the season of 1924. Eight games appear on the schedule, only three of which are to be played at home. The opening game and the closing one will bring to Meadville two of our strongest opponents, the first game being with the strong Dickinson eleven and the last with the big Bethany team. The Westminster team will provide the opposition in the other home contest.

Allegheny will line up against Boston College on the gridiron for the first time in her history. The Boston team has several victories over Harvard and other big eastern teams chalked up to its credit. A victory over the Hub City school would give Allegheny a fine reputation in the East.

West Virginia will be met at Morgantown in a game that is becoming more interesting each year. Grove City, Thiel, and Waynesburg will comprise the Blue and Gold's so-called Class B competition. Geneva does not appear on the schedule for the first time in many years.

The complete schedule is as follows:

Sept. 27—Dickinson, at home.
Oct. 4—West Virginia, away.
Oct. 11—Permanently open.
Oct. 18—Thiel, away.
Oct. 25—Boston College, away.
Nov. 1—Grove City, away.
Nov. 8—Westminster, at home.
Nov. 20—Waynesburg, away.
Nov. 27—Bethany, at home.

College Men's Bible Class to Have Final Meeting of Term Next Sunday in Ford Chapel

"Jesus' Attitude toward Treasures and Rewards as Expressed in the Sermon on the Mount," was the topic upon which Dr. C. F. Littell lectured to the College Men's Bible Class last Sunday in Ford Memorial Chapel. The service was held in the College Chapel because the work being done at the Stone Church prevented meeting there.

Next Sunday will be the last meeting of the Class at which Dr. Littell will teach; it is also the last meeting of the class this term. Officers for next term will be elected and the service will be held in the Chapel.

EVANGELIST OBSERVES SPECIAL COLLEGE NIGHT

ALLEGHENY STUDENTS PARTICIPATE IN SERVICES LAST FRIDAY NIGHT

"The Power of Human Influence" was the subject of Dr. George Wood Anderson, evangelist, in his address before members of the student body on College Night at the Tabernacle last Friday evening, May 23.

A male quartet composed of College students sang several improvised selections, complimenting Dr. Anderson. Following these, Messrs. Rugg and Chilcote sang a duet with banjo accompaniment. D. W. Leeper then led the audience in several cheers for Dr. Anderson and his co-workers.

Dr. Anderson illustrated the power of human influence by means of vivid and life-like word pictures. He told how the sick were placed along the streets so that they might be healed by the shadow of Peter as he passed along the street.

In concluding, Dr. Anderson declared no man has ever yet been able to measure the infinite power or understand the deep mysteries of human influence. Since each of us holds this power within our own hands today, we should strive with all our energy to exert this influence toward the best advantage of our fellow men.

NEW STUDENT SENATE IS DULY INSTALLED

LEO ROSS ELECTED PRESIDENT OF REPRESENTATIVE BODY FOR ENSUING YEAR

At a recent meeting, the newly elected Men's Senate chose the officers who are to lead them through the next school year. The election resulted in making Leo E. Ross President, W. F. McGill Vice-President, Glenn C. Jones Secretary, and J. W. Morrisey Treasurer.

Fitting ceremonies marked the installation of the new officers and their associate members, who are W. J. Dale, R. E. Piper, J. R. Farrell, and F. W. Mason.

The members of the retiring Senate, Chase R. Gage, M. V. Wright, R. A. Clark, J. J. Fries, L. H. Nunn, R. P. Eaton, and C. L. Friend were present and turned over to the new Senate all necessary papers and information.

STUDENTS IN EDUCATION TO HAVE PRACTICAL WORK

SENIORS TO BE GIVEN BETTER PRACTICE TEACHING TRAINING NEXT YEAR

Plans have been nearly completed whereby Seniors in the Education Department will be given opportunity to obtain practical teaching experience by taking over classes in the Meadville High School. The College hopes to be able to give this new course by next year if arrangements can be made with the high school authorities by that time.

The course will consist of teaching a high school class an hour each day, for the period of an entire week. A written report of the observations made will be required by the Education Department.

Up to this time intense practice has not been possible, although many of the Seniors in that course have been permitted to instruct class recitations through the kindness of several of the teachers at the local high school. With the completion of the pending arrangements with the high school, a better and much more practical course will be made possible.

STUNTS ENLIVEN OPEN HOUSE AT COCHRAN HALL

PHILOSOPHY AND EDUCATION CLUB ENTERTAINS STUDENTS OF DEPARTMENT

About one hundred and fifty students who are taking work in the Department of Philosophy and Education were guests at an informal reception held last Wednesday evening May 21, in Cochran Hall, by the Philosophy and Education Club.

Eight classes in the departments each contributed clever performances to the entertainment. The class in Education 5, which presented the best act, was awarded the novel prize of being excused from class on the following day. "Dear Brutus," the title of the winning stunt, was a parody on "Romeo and Juliet." In this act various stage settings such as the curtain, the sun, a cloud of dust, time and shadows were represented by students who moved about as directed by an interlocutor.

One of the sections in Philosophy 2 presented "A Triologue" which portrayed some of the differences arising in married life.

"Honest Jake" was the title of a "Moving Picture" given by another class in which students moving in front of a projector threw shadows on the screen.

Students representing various members of the faculty in "A Psychological Touchdown" incriminated a student by psychological means.

"A Funeral Explained," "Something Not Classical," and "A Logical Opinion" were the titles of three other stunts.

Miss Harriet Humphreys sang "O Dry Those Tears" and "The Answer."

Refreshments were served after the entertainment, and Dr. Henke awarded the prizes.

JAPANESE GIRL OPERETTA SUCCESSFULLY PRESENTED

REGULAR CONCERT PRECEDES QUAINT ORIENTAL MUSICAL DRAMA

The Girls' Glee Club presented, in addition to their regular concert, an operetta, "Japanese Girl," in Ford Memorial Chapel last Thursday evening.

Preceding the play, the regular concert was given which included several excellent numbers by the entire club, a solo by Miss Elinor Van Scoten, and two clever readings by Miss Marion Bradford.

The operetta, "Japanese Girl," was performed with considerable nicety, and, presented amid Oriental settings, it imparted a true touch of the Orient to the play.

Miss Marion Whieldon, as leading lady, added much to the success of the operetta and was well supported in her role by Miss Alice Townsend and Miss La Roux Rasel. The other title parts were well played by Miss Elinor Van Scoten, Miss Naomi Reisacher, Miss Marion Cook, and Miss Marguerite Cook. The chorus was comprised of the remaining members of the Glee Club.

The production of the play was under the management of Miss Elizabeth Arnold, stage arranged by Miss Mary Alice Jackson and Miss Alice Graham, and the musical numbers under the direction of Professor Lee Hess Barnes.

MEADVILLE ROTARIANS ENTERTAIN GLEE CLUB

COLLEGE SINGERS ARE GUESTS AT LUNCHEON IN LAFAYETTE HOTEL

At the noon luncheon of the Rotarians of Meadville, which was held May 21, at the Lafayette Hotel, the Men's Glee Club of Allegheny were the guests of honor.

Under the direction of Professor Barnes the Glee Club sang two selections "Sword of Ferrara" and "Mah Lindy Lou." T. S. Baker rendered a tenor solo, "The Winding Road" and as an encore offered "I Love Life." A quartet composed of T. S. Baker, S. H. Parker, D. W. Leeper, and C. B. Hartman received much applause when they sang "Honey Town." As a concluding number the entire club sang two selections, "The Blizzard" and "The Pep Song."

Manager C. W. Skinner spoke briefly and expressed the gratitude of the entire College for the way the Rotary Club is aiding Allegheny. Miss Elinor Van Scoten also spoke briefly and extended an invitation to the Rotarians for the operetta "Japanese Girl" which the Girls Glee Club presented. Three rousing cheers were then given by the guests to show their appreciation of the generosity of their hosts.

WOMEN'S SENATE HOLDS INSTALLATION SERVICES

DR. ANDERSON DELIVERS ADDRESS TO CO-EDS IN SPECIAL CHAPEL MEETING

Installation of the new members of the Women's Senate took place at a special meeting of women students held in Chapel last Wednesday morning. Dr. George W. Anderson made an address after the ceremony.

Dean Alice H. Spalding spoke briefly on the importance of democracy in student government, after which Miss Mary Wickham, the retiring president of the Senate, in a short talk, thanked the other members of the board for their cooperation, and greeted the new members.

Miss Eleanore Taylor, the new president, took the chair and introduced Dr. Anderson, who spoke on woman's influence in the world. He urged that they strive to blend the higher notes of thinking and the deep notes of conduct into perfect harmony.

TO CHARLES W. HAVICE

It is no perfunctory and merely formal tribute that the new Campus staff pays to its former leader, Charles W. Havice. He was as conscientious an editor as ever had charge of Allegheny's weekly, and the consistent excellence of the paper during the past year is attributable to Havice's care more than to any other cause. He was a good executive in that he knew how to apportion responsibility among the members of his staff; yet he was so diligent a worker himself that no detail was small enough to escape his attention.

The policy of the Campus under his control was an ideal policy for a college weekly. The editor saw the vision of Allegheny—the College itself—through the mist cast by her all-too-many and all-too-self-centered organizations. He incorporated alumni news into the paper so as to make it a news organ, not only for the five hundred undergraduates, but for the whole great host of Alleghenians.

If the present staff at this time next year can look in retrospect upon a year of accomplishment for the Campus comparable to the year just past, it can have good reason to feel gratified.

A NEW REGIME IN POWER

The assumption of the responsibilities of editorship by a new staff will involve no sweeping changes in the Campus. Your college weekly will still be printed on white, not yellow, paper, and it will convey, in much the same way as before, to the undergraduates and alumni the news that promises to be of interest to the large and flourishing family of Alleghenians.

We realize that the new editorial staff is far from being an assemblage of highly trained journalists. In a college where there is no school of journalism newspaper work must of necessity be only an avocation. We know that in the large group of readers which the Campus boasts there are many who know much more about newspaper management than those whose names appear on the mast head of the Campus. We will welcome, therefore, any suggestions or criticisms, destructive or constructive, that our readers may have.

The Campus does not and cannot serve as publicity sheet for any organization or group within the College. Acting according to its own scale of news values, it will try at all times to present every phase of Allegheny life, giving to each phase its just amount of space.

The annual interscholastic track meet was won by South High School of Youngstown. Central High of Erie took second.

1917.

Because of the crisis of the Great War it was decided that the Commencement exercises would be less elaborate than had been the custom. They were also to be held two weeks earlier than usual.

The number of Allegheny students who had left their classes to take up active service passed the century mark. There were also more than one hundred women enrolled in the surgical dressing class.

1913.

In the initial track meet of the season Allegheny won a victory over Carnegie Tech of Pittsburgh by a score of 74-57.

Allegheny took third place in the western Pennsylvania intercollegiate track meet held under the auspices of the University of Pittsburgh. State College won the meet with a total of 75½ points. Washington and Jefferson was second with 30 points; the Blue and Gold collected 24.

Meadville High School won the annual interscholastic track meet with 49½ points. Erie was second with 33 points.

By virtue of an eighth inning rally, the Grove City baseball team won a 3-1 victory over Allegheny on Montgomery Field.

1909.

The varsity baseball team lost to Hiram College by a score of 3-0 on the Spirella field.

Fifty non-fraternity men of the college celebrated Teutonic Day with a banquet at Saegertown Inn.

The Sophomores won the interclass track meet taking 55 out of a possible 126 points.

The baseball team broke even in a southern tour losing to Grove City, 4-1, and defeating Westminster 4-2.

The annual Senior-Junior smoker was celebrated by ninety members of the two upper classes at Oakwood Park.

1906.

The track team had an easy time overwhelming Grove City by a score of 73-22 at Grove City. Grove City took only one first place.

The College Glee and Mandolin clubs rendered a program before an appreciative audience of more than six hundred persons at Edinboro Normal School.

WHAT OTHER COLLEGES ARE DOING

Walking is to be added to the list of sports at the University of Wisconsin. The sport will be put on the same basis as other minor sports, and several matches have already been arranged with other schools. Wisconsin is the first Middle Western school to foster walking as an intercollegiate sport, although a number of Eastern schools have adopted it.

In a rifle match between the women's team and a team representing the R. O. T. C. of Coe College, Iowa, the former scored 3060 points to 2130 for the men's squad.

The cornerstone of the McKinley Memorial Hospital was laid recently at the University of Illinois. The hospital, which will cost in the neighborhood of $250,000, is the gift of Senator William B. McKinley. Accommodations for 60 students will be available in the building.

Harry Jeffries, of Northwestern High School, Detroit, established a new world's interscholastic record for the forty yard back stroke recently in a dual meet with Woodward Tech. He swam the distance in twenty-three and two-fifths seconds.

According to officials of Northwestern University, prospective students will be measured by human qualifications and not merely to gain numerical strength. New students will be given rating according to personality, perseverance, alertness, confidence, and participation in activities.

Dr. W. A. Womer, '00, entertained Phi Delta Theta with a chicken dinner at the house, last Wednesday evening.

Four Double-Barreled Reasons
Why You Should Buy Life Insurance

FIRST:
(a) You have the advantage of the younger rate. The rat at age 20 is about one-half that of age 40. It does not iscrease after you have started.
(b) Money without health cannot buy Insurance. If health is yours now, capitalize it at once.

SECOND:
(a) If you are not married, Insurance will be absolutely necessary when you become a benedict.
(b) You create an estate immediately with the first payment.

THIRD:
(a) Insurance helps you to form the habit of saving, thus strengthening your character. Thrift makes for success.
(b) Insurance will make you independent in old age when 11 out of 13 men have to live on charity.

FOURTH:
(a) It is a conservative investment. Insurance Companies cannot speculate, anr they are absolutely safe financial institutions.
(b) Men in the higher walks of life favor it. Every member of the late Presiaent Harding's Cabinet has recently advised young men to insure while young.

All Legal Reserve Life Insurance Companies are good but none can surpass in strength and friendly service.

RACQUETTERS BREAK EVEN IN LAST WEEK'S MATCHES

MATCH WITH PITT CANCELLED ON ACCOUNT OF INCLEMENT WEATHER

The Allegheny tennis team broke even in the two matches played last week, defeating Thiel at Greenville on Tuesday, 5-1, and losing to the strong W. & J. netters on the local courts Thursday by the same score. The Pitt team was scheduled to appear here Saturday, but the match was called off on account of rainy weather.

THIEL MATCH

Allegheny had her first tennis victory of the season when the Blue and Gold representatives defeated Thiel College in the return match at Greenville last Tuesday by the score of 5 to 1. On account of the defeat which Thiel handed Allegheny earlier in the season, such a one-sided victory was entirely unexpected. The Allegheny team was composed of exactly the same men that had received the previous beating.

Forsythe, Thiel's first man, was the only Greenville netter who was able to win his match. He defeated McClurg in straight but close sets. Both Pratt and Bair displayed good form in their matches. Piper experienced a little difficulty in taking the second set from Jackson.

W. & J. MATCH

Washington and Jefferson, generally picked to be the tri-state tennis champions, scored an easy victory over the comparatively green Allegheny team in a match which was very interesting to the spectators. The Presidents brought a veteran team to Meadville and, although two of their best men did not accompany them, they defeated the Blue and Gold netters by the score of 5-1.

Dale was the only Alleghenian able to win his match. He lefeated Curry with ease, 6-1, 6-1. Pratt put up a nice game against Moore but was defeated in straight sets. In the doubles, Pratt and Dale looked like winners, but could not quite make the grade and were beaten in a close battle. The W. & J. men had little trouble in winning the other matches.

ALFRED BESTS ALLEGHENY IN CLOSING TRACK MEET

WEAKNESS ON CINDER PATH BRINGS DEFEAT TO BLUE AND GOLD

Inability to win any of the track events was responsible for the 75 2-3 to 50 1-3 defeat handed to the Allegheny College track team by Alfred University at Alfred last Friday. It was the last meet of the season for the Blue and Gold.

Alfred showed unusual strength in all of the races and in all these events piled up enough points to offset the advantage Allegheny obtained in the field events. In the latter class of competition Coach Hammett's men took four out of a possible six first places.

L. McConnell, Alfred's captain, won both the 100 and 220 yard dashes. In both events he was given close competition by Kenneth Williams, who finished only a few feet behind the winner. Navin took firsts in both the 440 and 880 runs, winning in each instance over Rea of Allegheny.

Judd came through with firsts in the pole vault and the broad jump. Parnell proved to be the best in his specialties, the shot put and the discus throw.

L. McConnell of Alfred was easily the best individual athlete entered in the meet. He scored 29 1-3 points, more than one-third of the total number amassed by his team. As usual, Judd was Allegheny's high point winner. Judd counted 17 1-3 points. Summary:

100 yard dash, 1, McConell (Alf.); 2, Williams (A); 3 Ellsworth (A) and Horner (Alf.) tied. Time, 10.1 seconds.

220 yard dash, 1, McConell (Alf.); 2, Williams (A); 3, Horner (Alf.). Time, 23.3.

440 yard dash, 1, Navin (Alf.); 2, Rea (A); 3, Glover (Alf.). Time, 52.6 seconds.

880 yard run, 1, Navin (Alf.); 2, Rea (A); 3, Witer (Alf.). Time, 2 min., 11 seconds.

Mile run, 1, Witter (Alf.); 2, Herrick (Alf.); 3, Mackintosh (A). Time 4 min., 46 seconds.

Two mile run, 1, Herrick (Alf.); 2, Bliss (A); 3, Jones (A). Time, 11 min. 10 secs.

High hurdles, 1, Gibbs (Alf.); 2, McConnell (Alf.); 3, Slocum (A). Time, 16.1 seconds.

Low hurdles, 1, Gibbs (Alf.); 2, McConnell (Alf.); 3, Ellsworth (A). Time, 27.2 seconds.

Pole vault, 1, Judd (A); 2, Taylor (A) and Kelly (Alf.) tied. Height, 10 ft. 5 inches.

High jump, 1, Gibbs (Alf.); 2, Judd (A); 3, Babcock (Alf.) and McConnell (Alf) tied. Height, 5 feet, 9 inches.

Broad jump, 1, Judd (A); 2, McConnell (Alf.); 3, D. McConnell (Alf.). Distance, 20 feet, 6 inches.

Shot put, 1, Parnell, (A); 2, Judd (A); 3, McConnell (Alf.). Distance, 40 ft., 9½ inches.

Discuss, 1, Parnell (A); 2, McConnell (Alf.); 3, Cibula (A). Distance 124 feet, 6 inches.

Javelin, 1, McConnell (Alf.); 2, Judd (A); 3, Piper (A).

Final score: Alfred, 75 2-3; Allegheny, 50 1-3.

NEW DATE IS SET FOR INTERFRATERNITY MEET

GREEKS TO CLASH ON MONTGOMERY FIELD MAY 31—ALL ENTRIES DUE MAY 29

The annual interfraternity track and field meet will be held Saturday, May 31, on Montgomery Field to determine which of the local Greeks will win the Hammerslough trophy. The meet was originally scheduled for Moving-Up Day, but it was deemed advisable to change the date to Saturday.

Rules governing the meet are posted in the gymnasium and in Bentley Hall. All contestants are urged by Athletic Director C. E. Hammett to become acquainted with them as soon as possible. Trials for the 100 and 220 yard dashes as well as for both hurdle races will be held on Friday, May 30. All entries must be in the hands of Athletic Director Hammett before six o'clock on Thursday, May 29.

Speculation is rife concerning the winner of the 1924 prize. Coach Hammett, who is in a better position than anyone else to predict a winner, refuses to do this and merely remarks that "the meet will be very close."

On paper, however, Alpha Chi Rho looks very formidable, and coupled with the fact that they won a year ago, leads many students to pick them as 1924 champions. Admittedly with such athletes as Captain Bliss, Williams, Parnell, Rea, Kinnunen, and others, Alpha Chi Rho can boast of a crack team. Phi Delta Theta appears to be the chief rival of Alpha Chi Rho and may prove to be unexpectedly powerful. Beta Upsilon, with a number of fine middle and long distance men in its ranks, can also be figured on to finish among the first.
