Dear Ida:

The magnum opus will be on the market this week. I hope you will be pleased with the format. We are so proud of your work that we want you to be satisfied with the outward visible form of the inward spiritual grace which was your contribution.

I am enclosing a photograph of Bert's sun-dial which I meant to send you long ago. It might be of interest to J.S.P. for his little book, I do not know.

Let me know when you come back to New York, also tell me where to send your copies of the book.

Yours faithfully,

Miss Ida M. Tarbell
