New York, December 15, 1919

My dear Mr. Whipple:

I have your note of December 13th asking if I could speak before the Kansas State Teachers' Association October, 28, 29, 30, 1920., 4 engagements. If you can arrange with them so that the lectures will net me $100 apiece and my railroad expenses, including Pullman, I will be willing to go. As I understand it, this would mean $500 and railroads. I may have another engagement in that vicinity about that time, and in that case would divide railroads.

Very truly yours,

Mr. George W. Whipple
