Tampa, Florida.

My dear Miss Tarbell:

I am in receipt of your telegram from Miami of March 2nd. I am very glad indeed to know that you are to be in the state for some time and that I will be able to see you any time the latter part of the month.

As I have been away from home for some time, I have decided to return the latter part of this week and run up later in the month, at which time I hope to see you. It will give me great pleasure, Miss Tarbell, to show you around and to have you see what we are endeavoring to do in the way of constructive work. I shall write you from Miami the time that I will be here.

Looking forward anxiously to meeting you, with my very best wishes, I am

Yours sincerely,

JCP:40
