Dear Miss Tarbell

I am about ready to present
the story of the development of
the Van Hornesville School to the
publishers. I have tried to trace
the educational facilities from
the time Mr Young was a boy
to the present time in Van Hornesville.
Mr. Young is going to write
the introduction and it would
please me very much if you
would write a few pages for
the conclusion.
If you are in the city I
shall be very glad to bring the
manuscript to you for inspection.
Very sincerely yours
Maurice S Hammond
