My dear Mr. Burns:

Will you not be good enough to talk to Miss Moffett who brings you this letter of introduction. She has had a long and successful experience as a research worker. She feels that she could be of service in the work of the coming campaign for the Mobilization for Human Needs. I am confident that she could. If the organization can use a person of her caliber I am sure it will make no mistake in adding Miss Moffett to its staff.

I hope I am going to see you one of these days. There are many things I would like to talke over with you.

Very sincerely yours

Mr. Allan Burns
