Claudel

Claudel refused writing session but I called me to their end of March & soon he was ill - about 11 - talked endless / Men of conference - Talked all of us of this & that - around it young people + Education - His Poem of Prophet - Muse released - I says he denied Christ 3/4 of time & they - any science is known Heat Laennec & the advanced guard are talking about - Latte examiner & very long - 10 yrs long - will be ready before / Someone & get it published - work men of Paris much cultivated - Ten yrs - Begin to like of Francois ~~Repeated for~~

Empire influence - Luxembourg & see Sarah Bernhardt new Spike my self-shrunk knuckle at knee - Allein gets English more & tired figure. S. surprised & set free - Modern Select Theatre. Pirelli & would you accept & milk coal? - At me

emigrate but Rosa Luxemburg agreement
so that I objected to declare the relations
as had existed heretofore

Mr Clemens is still a patient of
international or international
expert. Not correct -
would sometimes ask Pirkheim to explain
in public what some one had said
in German or French - & often pulled
non-non-pulled yet time & detail
beyond his ken - What had been said

Franqui's exasperated by deep-delicious
high cry - who is to translate - My Clemens
wrote him 3 weeks - nothing happens
- late - late -

Mayer - pipe
note cart - s. Emil Franqui -
now-now - I no more
pick go home - & up a net - Rose
When you been Mrs Clemens -
Clemens wife

possibility a murder.

But just as completely disadvantage to carry out programme when one completely refuse. Therefore persuade tel 2 tel (Arrest Roberts suffrg) Presbyterian House - allin Chairmen, - tells Gillette fellows come in 2 visit tells you! Which means 2 suppress stuff & this Gabby Glen can go to work Mellon scene economic 2 20 terrorists - 20 dead men Hist- tory can't lie -

Called it Gifford who turned him down. Daniel Gallred it Robertson y. said they had never called in their employ if convictable - He undertook the self respecting fealties of shining in a big eclipse J. V. studied agony to take home with him.

Save the money for these undertakings

should be handled like federal reserve
- deposited - unused scientifically -
Industry must organized to take care
of the 10 or 20's - publicity all told 2 or 3
millions? - Taxpayers world crisis -
Iron & steel - could follow - clothing tailors
ready(?) & Law necessary to compel
the narrow minded - prejudiced.
Thinks 35 000 000 rubber could be included
in this scheme - The 2 or 3 rg millions
were social problem - inefficient - idle
fringe - ill - depraved - indolent =
The law would come in here where
the pool - mandated - Labor relations
here can follow pool - no law could be
larger & united, experts create need -
& standards - business the experiments are like
fellows in No-Man's Land - an unexplored
region - for Law in hemline - when No Man's
Land is advanced - Law must go
Chaos expelled the area NON-Chaos

after battle —

At dinner he returns to picture — I says out-loud what in my mind — Mrs — It is the International Electric Business Electric Business — G. E. is all ready stamped — used — Tells how beginning to go up wight 1/4 of each electric stepping company & mid Climates all — Said Mr Edis want Mrs — Mr Edis want to role — resign that — Mr Edis want to manage — Jim was your business — but if you like will endure but why el — your request. Will share the results of our research — Business — Exchange dreamies — Make our own applications — If one of you loose business Why somebody else will pl — N — Hot 2 Well shake his paper — If when we examine electric Want to see where you're going

will like you + Taiffa - national opinion all your miners —

Which he sees - he says so - their international dependence of industries making war impossible + unthinkable - & too common interests - too clear understanding & each other - will iron out problems as they come —

But he goes on in his every day business next step - an unexpected - just thought these international electric securities - He means to cancel it - & sure as matter comes back - Thus securities in every bank of world - going naturally when money is low[er] & plenty chain of gold - Stagger me - May mean with complete international side hastening & gold which is a dead[er] medium - earns nothing -

Wish I can see nothing else - but faith of Cobs in form of securities

made internationally safe - preserved from destruction by artificial - caution - responsibility - freedom - enterprise - spirit - of confidence - failure -

We talk easy of it - yet can do no more real service by knocking holes in it - To this point I see 2 excellent

1) well - to start - (V. H. heard the expression) stay away Bulk me a symbol of what is needed in the world - spreading of ideas - good blood -

2) Compelled publicity - don't spin it - in public - Take up ~~it~~ criticism even forcible 2 shows Sum up. Public reasonable of it - understands - is taken in -

This development automatically upsets entire tariff - antiquates it - will have to scrap it - Avoids my revolution -

Automatically - reduces cost of power - & so of commodities - Large scale development

Hoover - disappointed at lack of flexibility of mind. Rather expected men in Hoover's set-mind stubbornly to one or another side - "if Wilson the 3 + 00,000,000 Democrat - must be wrong" Felt I can much interested in reading his letter. - seems to have been first idea expressed that there was a middle ground.

"Well-he says" I did. want to be called in that hearing - Wd Hum so but summoned me. I read. Dem reading the discussion - did. Rmr saying about it - went to N.Y. H's I went down to his house by myself to study it - Wr Thalia my wife read - I later it - he sees screen - I de-protocol in Wilson yrs as stands yrs on in just world - men there are two main outside-problem issue." So I asked myself suppose I had my long term 1949 2 more

to a group of men looking for me came in
U. S. 2 25 to west out of town 2 came
2 said. Mr. Burdett you discount part
of their 2.0.U.U. pay ~~the~~ me now. 2 im out of
work - cannot raise money for mortgage due -
on dwelling house - 2 the need no furniture
~~to~~ 2 want to buy a new car - add to my
house - Must adopt 2 to do. 2 in temporary
a real estate, 2 do, but have one real
estate needs in some of these cases -
2 is yet to be seriously. What a man
must be allowed to live his house -
must pay his rent - 2 2 think there
no question will 2d Court to say
~~that~~ 2 is ~~not~~ advance a payment to
meet mortgage - let you attempt to foreclose
sister - but not for new car - cannot buy
one for myself - you can get along without -
as better record could since we started again -
2 see on.

Then 2 read my test 2 2 prepared
my statement - entered it - in W - said now

What necessary" - conversations seem to have followed - I requested not to upset the idea - Dame fun thing & W. H. answered - I said then see to it - that H. don't call me - I don't want to get into fuss - but it certainly be done - wouldn't look well after announcement ? suppose -

Rupert's interested sent about to take him Crim ? " I'm telling G. now in time. See as time but he can't change my decision & certify. See him unless I get promise that I would be said [illegible] principal crim - not - effect - standing "not" to succeed".

I went to [illegible] - & I then remarked said - "now see certain to you not & certify then you can change me & I don't want you to expect it - or feel annoyed because you fail - if stick - undaunted go ahead -

What will happen in few years I speak that corpus will do 3 5 - or no so & proved in your existence ! which is most sad

advantage in lack of Honor - 2 wire my air -
disinterested - seeks to create mitigating circum-
pal on issues - no accommodation -
but a feuded if judgment is questioned
- I says he is "sour" - Utter evenfamiliarity
& heart - results superficial - Felt comedy
but standing by - No humor - personal
always - never objective - No mind cannot
function in such ~~an~~ atmosphere - Tried
to handle - irritated - looking for slights -
No good news - If this Editorial of ours
does not restore Quinn - never will be
of any good to country.
Bad luck - If the country had remained
prosperous he would have done great things
in organizing, stabilizing - Panic shook
Quinn out of his confidence (G.O.P. now
guaranteed success)
