August 28, 1925.

My dear Miss Tarbell:

I recall with pleasure our working together in Washington and hasten to reply to your inquiry of the twenty-fourth.

Yes, as Chairman of the Price Fixing Committee it was my privilege to be very closely associated during the war with Judge Gary who was the spokesman for the entire steel industry. As steel was the keystone of our war needs and maximum production at a fair price was no easy problem, I have only the greatest admiration for the fairness and skill with which Judge Gary met the views of the Government and, at the same time, reconciled and satisfied the great variety of interests which he represented.

Sincerely yours,

Robt S Brookings

President.
