

May 25, 1931

Dear Mr. Blossom:

I have put in the short impression of the man for which you asked. I hope it will meet your approval, and that the thing will seem to you to move a little less slowly in the first half; also I have sprinkled in a few "I's," enough to convince I hope that I have really talked with him. Let me know how the article strikes you now.

Very sincerely

Mr. Sumner Blossom
250 Park Avenue
New York City
