Miss Ida M. Tarbell,
120 East 19th Street,
New York, N.Y.

Dear Miss Tarbell:

I enclose a contract letter in duplicate, which I think covers our understanding. Just as quickly as we can turn around, we are going to get up a circular incorporating the outline which you gave us of the proposed series, so if you have any changes which you would like to make in this outline, wont you kindly let us have them at your earliest convenience. Then we shall circularize the country and undoubtedly tie up some contracts in the very near future.

I want you to know that I have talked to many publishers about this series, and without exception found them very enthusiastic. I have not yet signed them up, but when we get up our publicity with the outline incorporated, I am quite sure we will be able to sign up contracts, so that shortly after your trip begins, we will probably be able to give you assurance of definite sales already made.

I envy you the trip you are going to make, and I certainly hope it will be most delightful in every way. We will appreciate it if you will let us have an itinerary so that if anything comes up about which we would like to write you, we might do so without delay.

If there is anything about this letter contract which is not clear to you, I shall be very glad to explain it, or change it if it is necessary.

Yours faithfully,

P. C. Eastment

Vice-President.
