Gentlemen:-

Owing to the epidemic of Spanish Influenza in this state The meeting of the State Teachers' Association has been changed to Nov. 6-7-8. This, of course, affects their date for Miss Tarbell. Wire me as soon as possible if Miss Tarbell can keep her engagement on Nov. 8, in the afternoon.

There are 1200 cases of Influenza in Montpelier, 1500 in Barre with 15-20 deaths daily in the two cities. St. Johnsbury has 700 St. Albans 500 and in Burlington we are just beginning with over 200.

In all of the larger places in the state schools, churches and even industries ate closed. All public gatherings are forbidden and places of amusement closed.

Please give this matter immediate attention and wire me as soon as possible as the committee are trying very hard to hold their program together.

Very truly yours,

Wesley H. Douglass
