Dear Miss Tarbell:

In going over the Wilson material for December 1916, we found a letter of Mr. Wilson's, addressed to a correspondent who protested against your appointment to the Tariff Commission because you were a women. I enclose what the President said. I thought you might like to see it.

I saw an interview with you the other day which gave convincing evidence that you are in fine health and spirits. It is good to know that this is so.

Cordially yours,

Ray Stannard Baker
