My dear Miss Tarbell;

I have raed your note with mingled delight and misgiving. I still fear you are too partial in your judgement. However, in what I send you today you will fine enough to criticize and cut out.

I have an impression that the Inscription of my war experiences is labored and spiritless and altogether too lenghtly. You will see. Please do not spare me.

There is still something to follow - the Chattanooga-Knoxville campaign with what followed to the close of the war - about I50 more pages, which I am now having copied. It is dreadful. You will see.

I shall be most glad to see you and talk the matter over at any time. I do not think I shall go to Lake George before the last week of the month.

Most sincerely yours,

C.Schurz.
