

April 30, 1925.

Mr. Lewis E. Myers,
250 Park Avenue,
New York, N.Y.

My dear Mr. Myers:

Referring to your request for using a picture of the Finance Committee, I believe at their last meeting all the members agreed that you might have the privilege of reproducing the group taken on April 14th, showing three seated and four standing. However, permission has not yet been received to have all of the signatures reproduced. This must be avoided unless and until we get the consent of the members.

Very truly yours,

Secretary to Judge Cary.

Copy to Miss Tarbell.
