My dear Miss Tarbell:-

Your letter of May 13th in reply to my letter of April 12, 1924 requesting information as to the Lincoln and Boone intermarriages was duly received. I am under many obligations to you for forwarding my inquiry to Mr. Waldo Lincoln of Worcester, Mass. I have received a reply from him confirming my contention as to my direct descent from Mordecai Lincoln. He tells me my Bible helps to fix some missing links in the history. I have subscribed for a copy of his Lincoln History and I thank you for offering to secure for me copies of important pages of it.

I have promised Mr. Lincoln, and I promise you, photostats of the signatures and entries in the Bible, which at your suggestion I am having made. Should you desire to see the original, I shall be glad to send it over with a member of our family on some convenient visit to New York.

Your interesting Lincoln books have been enjoyed by all of us. I regret that they were not published earlier when an aged grandmother and distant Berks County cousins were living, who could have given you some points on the subject.

Very sincerely yours,

George F. Hunsicker
