Mr. John W. Lincoln,
Mifflinburg, Pa.

My dear Mr. Lincoln:

The photographic copy of the Abraham Lincoln letter reached me last week, and I cannot begin to tell you how grateful I am for it. It is a beautiful, clear copy and will reproduce excellently.

Much of the material of the book which I am working on now is to be syndicated in the newspapers. The letter will not come out probably in many of them as well as it should, but I think I can promise you in the book a fine fac-simile. Of course I am crediting the letter to your kindness.

It interests me particularly because it is the only one I know of which shows that Abraham Lincoln knew anything about Hannaniah.

Thanking you again for your kindness, believe me

Very sincerely yours,
