Buffalo
Thursday A.M.

Dear Mother: -

I have not
written to you before
this week, but I know
you will guess the
reason - I have been
sick all Sunday
was my first day
while I was not
as bad as I was
last time & much
better than I am
some times at home,
still I was not
quite sick and gave
Mrs. Hoffer a good
deal of trouble - she
was very kind. O

did not seem to
 think it trouble - I
 hope this month
 will do the work,
 but can not tell -
 Your letter with the
 news of Anna's death
 reached me in-
 stead - it is very sad,
 I feel sorry for them
 all, they must be
 glad it is over if
 it had to be - she
 had such a long
 time of it - I will
 write to you any this week.
 I hope Miss Wagner is
 better. What has been
 the matter with Mrs.
 Fathrope you I ill a
 wrote she was getting
 better, I did not know

she had been ill -

Miss Jones called
with Mrs. Chamberlain
last week, she said
she was going to T -
I would call on
you. I suppose she
has done so before now.
Mrs. C. has asked me
to go out & stay a
day or two with her
some time, I do not
expect to go this
for of places I would
like to go while
here but I can't do
it - I

I wonder if you
could lend me two
or three dollars - I
have got to have a
gingham dress this summer

and could do so
much better to get-
it here - I will pay
you back sure when
I have oil coming to
me - I will get you
any thing you would
like - I have offered for a
very pretty china set for
50 cents the other day, it was
instead of a fine quinquaine
a bargain I think. I
hope you folks are
better - How is Father's
cough, I ~~hope~~ he could
take a trip -
Well I guess I will close for
now, my head is empty
this morning. Give my
love to every body
Yours Sara
