Miss Ida M. Tarbell,

"American Magazine",

New York City.

My Dear Wonderful Lady:

The men on the 7.28 train this morning must have thought me crazy. I suddenly tossed my hat in the air and yelled: "Hoo-ray!"

I had just read on the first page of the morning paper the story of your appointment as Tariff Commissioner.

I know you will have success but this short note is to wish you joy in the new work.

Hearty Christmas greetings!

Cordially yours,

Tom Daly
