Ida M Tarbell
120 E. 17th N.Y.

Dear Miss Tarbell

you doubtless have heard of the
Sale by W.W. Batham of the original MSS.
of Lincoln's 8 page speech on "Sectionalism"
for the extraordinary sum of 18000.00

Mr Batham had 100 photostatic
copies made of the complete speech,
8 pages folio, and sells them for
ten dollars per set including some
addition local historical matter.

I have secured 5 of these sets
to offer to my customers at the pub-
lished price of 10.00, and will be pleased
to have your order for one of them.

This new book by Barbee promises
something unusual in Lincolniana.

Sincerely

H. E. Barker
