GROVE CITY GOES DOWN TO 3-0 DEFEAT

PLUMB'S DROP KICK ONLY SCORE MADE

"Real Football" is the Verdict of the Many Alumni Present.

Allegheny's old rivals, Grove City, went down to a 3 to 0 defeat here on Montgomery Field last Saturday afternoon. While their opponents had the advantage in weight, the Blue and Gold team showed superior fight and snatched victory from defeat in the last quarter by carrying the ball down the field in a succession of long runs to the 33-yard line from where Stan Plumb's drop-kick went between the posts for the only tally of the game. Grove City brought up a formidable team which played real football and played hard but failed in the pinches. The stand on the north side of the field was filled with spectators while the south side of the gridiron was lined with automobiles. The large number of alumni present were jubilant over the showing the team made.

Stanley Plumb, who has been out of the game since his injury in the Thiel game, played a remarkable game. Playing in the position left vacant due to the injury to Hoppy Miller, Plumb covered himself with glory with his long runs and his fine goal from the spot where Putts, with a reputation as a drop-kicker, failed to register. Plumb made exactly the same number of yards during the game as did the whole Grove City team. He ran well behind good interference in the open field. He made three runs of over twenty yards each from formation and one of twenty-eight on a kick-off. His forward pass to Baldwin, the only one in the game to go through, was well placed and gained twenty-one yards for his Alma Mater. Plumb tried two field goals but the first one fell short. It was a good try and the visitor's quarterback played it poorly.

Captain Roger Baldwin was a bear on the defense. Time after time he stopped the opponents. He broke up all the passes which came his way and played his end position on offense in amazing manner. The dope of the week before proved to be correct when it stated that if the ends would take care of the dependable Grove City tackles that Allegheny would win. Baldwin took care of his tackle and boxed him in so well that Plumb was able to make his big gains. His recovery of a punt in the second quarter saved Allegheny some serious trouble.

The whole line played like a well oiled machine. Every man outfought his larger opponent and always held tightest when in their danger zone. Kramer put up his usual game at tackle and stopped everything that came his way. Wright and Loomis put up sterling games at guard. Dundon had a hard proposition at center but he outplayed his man. Potter did well in place of Murphy. Russell was started a quarterback and ran the team like a veteran. Graham did not have many chances to run with the ball, while he proved to be excellent interference for the

other backs. At fullback a new face was seen in Ford Miller, who hit the line like a bullet. Morley played better than at any other time this season. Morley was on the receiving end of a pass that started the team on its march down the field for its only score. Secor and Cunningham did well while they were in the game.

Many former Allegheny players were on hand to see the Blue and Gold win their third game in four years from the strong Maroon team. They spoke nothing but praise for the team and the coach for the manner in which they won out in the face of great odds. Grove City outweighed the Blue and Gold twenty-five pounds to the man but Allegheny outfought and outplayed them.

The field was in better condition than expected, as the sun and wind in the morning had dried it up considerably. Even so the conditions were all in favor of the heavier team. The Allegheny team showed that a well trained team can win out over a team of beef and brawn not so well trained.

After the game the Frosh started their usual duty of ringing the bell in Bentley. The visitors, who were using the basement of this edifice as a dressing room, took offense and did their best to stop the ringing out of victory. After getting access to the belfry in Bentley the Frosh continued to let the world know that Allegheny had won.

IRISH QUESTION IS DISCUSSED IN FORUM

NEGATIVE WINS ON RESOLUTION
THAT U. S. SHOULD DECLARE
ITS ATTITUDE.

The United States Government should not declare its attitude upon the state of affairs in Ireland according to the debate in the Forum last Friday. Henry, '23, and Ross, '23, maintained the losing side, while McCreary, '22, and Fleming, '23, produced the arguments against a declaration of any sort. Although only one of the speakers was of the group chosen last week for the debate, the arguments were well advanced, receiving good attention from the large audience.

As a whole, the affirmative brought out three constructive points, more or less clearly. The Irish matter is a world question, not a national one, and as such merits the attention of the world. England admits our right to intervention. A Bonar Law, one of the English ministerial cabinet in a speech before Parliament admitted our right, since such a large part of our population is either Irish or of Irish descent. Congress has interfered before, for instance, in the case of Cuba. The world, a criterion of justice, did not oppose our action, but on the other hand gave us its own backing. We would have the same aid in an intervention in Irish affairs.

The negative side also presented three issues, but was more successful in getting them across. The declaration of our attitude would not be right morally or legally and would result in foreign entanglements. We have no legal or moral right to interfere since Ireland is merely a portion of the British Isles and the strife within is merely civil. McCreary proved the much disputed question as to Irish nationality in such a conclusive manner that the double issue was obviously true. Fleming substantiated the last point by citing instances where declarations of attitude resulted in war.

The debate for this week, as announced by Prof. Swartley at the close of the interesting discussion which followed the debate, is, Resolved, that immigration in the United States should be further restricted. Bollinger, '23, and Bozic, '23, will uphold the affirmative and Skinner, '21, and Thoburn, '23, the negative.

BIG CELEBRATION STAGED SATURDAY

ALL ALLEGHENY HELPS STIR
THINGS UP AFTER VICTORY
OVER GROVE CITY.

When Stan Plumb's trusty right foot dropped the old pigskin neatly over the goal posts with but three minutes to play it was the signal for a demonstration that is unequalled in the annals of the school. The cheering continued unbroken until the teams had kicked off and three plays run off and only then stopped so that the stands might be told of the time yet to play. Grove City, grown desperate, was shooting long forward passes to all corners, and as each successive one was grounded the volume of noise swelled. When the final whistle blew the cheering section of the stands swarmed out and carried Plumb off the field. Almost at the same instant the bell in Bentley began to ring. The Frosh covered themselves with glory in this part of the program.

As the crowds were leaving the field one old grad looked rather ruefully at a battered Stetson and then in a fresh burst of enthusiasm tried to throw it over the roof of the gym exclaiming, "I'll buy a new hat every game if they are all as good as that one."

The assistant managers swept up off the field and stands seven cushions, eleven hats and caps, six pennants, and one thousand eight hundred and thirty-four hairpins that to a late hour Saturday night were still unclaimed.

The Frosh built a monster stack of wood after the game and about eight-thirty it was ablaze. Practically the whole school assembled there and a parade for downtown formed. The principle theaters of the city—sounds good, doesn't it—were visited and cheers given in each place. Scoop Trotter was the master mind that was responsible for the arrangements. Almost half the students came out of the Academy that went in with the parade.

Taken all in all, it was a large day, and we think that the best team won although Jones is a mighty ne football player. Ya gotta hand it to him, he plays football. The eleven men that were opposing him were a little too much, that's all.

TINGLEY BIOLOGICAL CLUB HOLDS INITIATION

SIXTEEN NEW MEMBERS ADDED
TO THE CLUB ROLL. PLANS
FOR THE YEAR.

Alden Hall was again the scene of the horrors of initiation Tuesday evening when seven new members were initiated into the Tingley Biology Club.

The club met at seven o'clock and many of the incidents of the week before were repeated. Blindfolded the initiates were introduced to some of the animals of Dr. Darling's zoo. After the new members had been put through the first part of the initiation, refreshments were served. Then the initiates entertained with specified stunts until the closing hour.

Those initiated this week were: Misses Sarah Peabody, Dorothy Wooster, Ruth McCafferty, and Messrs F. N. Parent, George Booth, C. D. Potter, W. R. Flint, and W. E. Severn.

These seven with the nine initiated last Tuesday evening, viz: Misses Anne Lowry, Sarah Colter, Helen Kirk, Messrs. P. G. Collom, Guy Lawhead, Clifford Skinner, Thomas Francis, John Henderson and LaVerne Parker; make sixteen new members for the club. The fourteen old members make up the entire membership to the maximum.

The club intends to assume a program similar to that followed last year. There will be one indoor and one outdoor meeting per month. The outdoor meeting will take the form of a hike and refreshments on the third Saturday of the month. Specimens will be collected on these trips.

The Misses Janet Beedy, Josephine Perkins, Julia Allen, Dorotha Drake, all of '24, spent Sunday at their respective homes in Cambridge Springs, Pa.

DR. MARQUIS DELIVERS AN EXCELLENT SERMON

FORMER ALLEGHENY STUDENT IS
THE SPEAKER AT SUNDAY
MORNING SERVICES.

"And all the days of Methuselah were nine hundred sixty and nine years: and he died," was the keynote of the Sunday sermon delivered by Dr. S. S. Marquis of Detroit, Mich. Methuselah, who lived longer than any known man, has the briefest biography ever written. Dr. Marquis said it was life, life in its fullest and broadest sense, the life that men struggle to get, that he wanted to discuss.

Every act is a struggle for life. A person's presence in college denotes a struggle—a past dream, a longing and a desire for a deeper and broader life. Even men's sins and mistakes are misdirected means of finding life. Man is always trying to find more life; it may be sensation, romance, or anything to break the monotony and hum-drum of routine.

The critic may say it is impossible to live nine hundred and sixty-nine years; but length of time is of little importance. The great dimensions of life are: length and breadth, height and depth; length is the least of these. Methuselah's life is really a miracle that his entire biography should consist of only forty-six words. Perhaps he did not live at all; it is more probable that he existed. In some cases, existence is a matter of abject poverty; in others, it is centered in the midst of the greatest wealth of the world. Many people are incapable of responding to their environment, they exist, just as a boulder or mummy does. In the lower forms of animals there is a certain amount of true life because something within responds to something without. But, it is man who can give the biggest response to his surroundings.

It is commonly said that there are five senses, five channels connecting the inner man with the outer world. But man also has a sixth sense, one which enables him to judge right from wrong, to know that there is a principle and eternal thing in life. It is the aim of college to develop that sense, the ability to respond to the power that is divine.

The length of life is physical; the breadth, intellectual; and the height and depth, spiritual. Some people live in this first dimension; many college people live in the second; but the third dimension is necessary for an all-rounded life. Man lives just so much as he responds to his environment and God is a part of that environment, even the biggest part of it, for in God, "man lives, and moves, and has his being."

HORACE LAVELY SPEAKS IN CHAPEL

ALLEGHENY ALUMNUS IS ON HIS
WAY TO EDUCATIONAL WORK
IN CHINA.

The Thursday morning Chapel service was distinguished by the presence of Rev. Horace Lavelly, '12, and his wife (Gertrude Hillman, '11) who stopped to visit their Alma Mater before sailing for China. The Rev. Lavelly talked with interest and enthusiasm about his life work. His text from Mark VI dealt with the feeding of the five thousand. He said that great as was the need of that multitude to whom Jesus spoke, the need today is far greater—the need not only for men but for live, enthusiastic men backed by the interest and support of us all. Both he and Mrs. Lavelly spoke at a special meeting of the Student Volunteer Band Thursday afternoon.

The Rev. and Mrs. Lavelly spent several days in town visiting friends and relatives. They sail from Vancouver, B. C., November 18, on the Empress of Russia and will reach Shanghai in 15 days. From there they will go to Nanking to study in the language school connected with the University of Nanking. When they have mastered the Chinese language they intend to go into either educational or religious work in the service of the Methodist Episcopal Church.

EARLY MORNING FIRE IN HULINGS HALL

Phone Calls and Telegrams Result of Newspaper Headlines.

At 4 o'clock on Friday morning, the girls of Hulings Hall were routed from their beds on account of fire on the fourth floor, caused by an overheated electric iron. The girls fought the flames with chemicals until the Meadville fire department arrived.

An electric iron, with the current turned on which had been left in the Kappa Kappa Gamma kitchen, started the fire. Smoldering for several hours, it was not discovered until 4 o'clock when Miss Martha Withers, '24, awakened to see the ceiling around the chandelier on fire. She quickly notified the chief of the Hulings Hall fire department, Miss Madeline Stanford, '21, who rushed to the fire and by the use of the fire extinguisher, kept the flames in check until the Meadville fire department arrived. They kept the fire confined to two rooms and soon had it out. Damage is estimated at \$1,000.

Snow was swirling about the building, but the girls were not obliged to

brave the elements, as they were marshaled on first floor. The girls exhibited great calmness and there was not a semblance of disorder.

The event gave the newspapers of Western Pennsylvania an opportunity for a big story too good to miss. Such headlines as "College Girls Flee Fire in Nighties" and "Brave Sheffield Girl Battles Fire at Allegheny College" caused much uneasiness and anxiety among the parents of the girls residing at Hulings. As a result telegrams and long distance telephone calls poured into the Hall all day Friday.

"Clad only in their night clothes," one Erie paper states, "one hundred and fifty girls, seven of them from Erie, fled from Hulings Hall, the girls' dormitory at Allegheny College, Meadville, at 4 o'clock this morning when fire broke out on the third floor." A Warren County paper blazes forth the name of Madeline Stanford in large headlines as the heroine who saved the dormitory from destruction.

DEAN SPAULDING SPEAKER AT Y. W. C. A. MEETING

FRESHMAN GIRLS ENTERTAINED
BY THE ORGANIZATION. SER-
VICES AT COUNTY FARM.

As speaker at the Y. W. meeting on Sunday night, Miss Spaulding directed the girls' attention to an analysis of life. First she emphasized the importance of the Y. W. C. A. as a world-wide factor at the present time.

A girl "finds herself" when she realizes her physical, mental and spiritual make-up. She may be awakened to a sense of divine things by her own conscience, by contact with nature, by a study of history, or by acts of service. Once aroused, the best method of procedure is to use the ordinary channels of expression, as church and social service work as well as personal work. When a girl has come to herself she should not falter, but become the leader she was intended to be. As Dean Briggs told a group of Radcliffe girls, college should give: knowledge to broaden a person, friends to make life sweeter, training to give power; vision to give incentive, and truth to give freedom.

On Friday afternoon the Y. W. C. A. entertained the Freshmen girls at a tea in the parlors of Hulings Hall. When everyone had been welcomed, Miss Helen Shuster sketched the founding of the Y. W., its purpose, organization and the relatives between the girls and the advisory committee. Each cabinet member stated the aim of her committee. Miss Anna Jane Walker, vice-president and chairman of the membership committee then gave each girl a personal invitation to become a member of the Y. W. C. A.

On Sunday afternoon several girls visited the County Poor Farm. They held a short service in the dining room and then visited the different rooms.

Miss Pauline Mowry visited friends in Erie, Pa., over Sunday.

On Saturday night Miss Ellis and Miss Rose gave the girls of Hulings Hall a Halloween dinner party.

LE PETIT SALON HOLDS FIRST MEETING OF YEAR

TWENTY-TWO NEW MEMBERS ARE
INITIATED. NEW FACULTY
MEMBERS WELCOMED.

Monday afternoon at four-thirty in Hulings Hall, Le Petit Salon held their first meeting for the year, and initiated twenty-two new members: Misses Abbott, Bollinger, Brunner, Charlton, Curry, Fink, Gealy, Hilderbrand, McMillin, Shuster, Walker, and Wolley, and Messrs. Buchanan, Clark, Gordon, Helminger, Hixson, Jordan, H. M. Maitland, W. H. Maitland, McCreary, and W. Thoburn.

Miss Wilson, and Mr. Schadt, new members of the faculty in the French department were welcomed into the circle.

The program for the next meeting will be in charge of Prof. Church, assisted by Miss Powney, Miss Bellnap, Mr. Clark, Mr. Hixson, Mr. McCreary, and Mr. Gordon.

On the completion of the formal initiation, refreshments of a tempting nature were served, and a general "Causerie" participated in by the old and new members.

Vive le Petit Salon!

REVIEW OF FIRST THREE GAMES
SHOWS THAT TEAM IS ROUND-
ING INTO SHAPE.

Football has had its ups and downs this year at the college. The first game which was with Thiel was a very poor exhibit of football. After this the team braced up so that when they went to Colgate they held the Colgate aggregation to a tie. Here a high class of football was put up by the Gold and Blue. Colgate had advertised this game as a mere practice game and were confidently expecting to win by a large score. The third game of the season ended in defeat for Allegheny. The old pep and enthusiasm which they showed in the Colgate was lacking.

Allegheny opened strong against Colgate.

INAUGURATION CEREMONIES SCHEDULED FOR NOV. 11th

Extensive Plans are Being Laid to Make the Day a Memorable One.

Every effort is being made by the college trustees and faculty to make November 11, 1920, one of the greatest days in Allegheny College history. Three great events will be combined to make the day complete: the inauguration of President Hixson, Armistice Day, and the first college function in the new gymnasium.

While we are not permitted to give in advance full details of the day's program, there are a few points which we may mention. Governor Sprowl will deliver an address on the occasion. Bishop McConnell and

Frank Miller will be on the speakers' list. And of course, Dr. Hixson will have much of interest to say when the oath is administered to him by Judge Henderson.

Minor events are the academic procession, numerous receptions, dinners, and banquets.

Efforts are being made to secure the largest possible alumni attendance. While it has not been possible to communicate with them individually the college authorities have expressed the desire that all alumni who can will be present.

EDITORIAL

TO THE ALUMNI:

This edition of the Campus has been published for your especial benefit. A copy has been mailed to every alumnus of the college for the express purpose of informing them all that the Allegheny College football team will play Carnegie Tech at the Tech field this Saturday.

The college is sending 100 rooters along with the team. The cheer leader will be on hand and it is the purpose of the undergraduates to let the team and all who may be at the game know that Allegheny College is a real live school with plenty of pep. In doing this we want the assistance of the alumni who can be present to see the game.

Elsewhere in this issue you will find an account of the team's victory over Grove City last Saturday. From that article and numerous others which have appeared in the Pittsburgh papers you have learned that this year your Alma Mater has a plucky team that will fight until the last whistle blows. They are going to do their best to win Saturday but, win or lose, they are sure to put up a game that will make you proud of them.

In short, we want you at the game Saturday; you will want to be there. BE SURE TO BE IN THE ALLEGHENY CHEERING SECTION. Seats have been reserved there.

Just one word more. On November 11 our new president, Dr. Hixson, is to be inaugurated. Many invitations have been sent out to people of note requesting their presence. Already Dr. Hixson is an Alleghenian through and through. November 11 is to be a big day in the history of the college. All alumni are invited to be present.

"On to Tech" is our slogan now. With the prospects of a rattling good game next Saturday and in view of the extensive arrangements that the student body at Tech has made for our entertainment no one will want to stay away. All are going who can possibly get there.

Those who do go want to remember one thing: your presence will do no good unless you yell, and yell your head off. Did you ever hear that Tech bunch cheer? They sure do know how to make a noise. But the team has played against odds and won. Allegheny rooters should be able to do as much.

Carnegie Tech has organized a debating club known as the Carnegie Forum. Here's a chance to extend the relations between Allegheny and Tech. Schools which have such a similar attitude toward gentlemanly conduct in intercollegiate contests as Allegheny and Tech cannot go wrong in getting together in forensic contests as well as in athletics.

The Campus Staff meets every Friday at 1:15 o'clock in the Campus office in Bentley Hall.

ORATORICAL PROGRAM HAS BEEN ARRANGED

TWO TRIANGULAR DEBATES IN
PROSPECT. PITT AND OHIO
WESLEYAN NEW RIVALS.

The Y. M. C. A. has organized a class for the men of the college. This class takes the form of a discussion group and meets in the Oratory of the Chapel. The meeting is entirely informal and all students who care to be asked to take a part in the discussion.

Dr. Darling headed the group for last Sunday. He asked the students to express their ideas on certain phases of the Christian life, such as: "What is God?" and "What form does God take?" As was to be expected not all the opinions were the same. However many common ideas were found.

This class is going to prove very helpful to everyone who attends. Subjects which trouble the student will be discussed at every meeting. All of the men of the college are invited to attend. Many perplexing problems are going to be solved. And it may be that the student will find there just the thing that he has been looking for.

BIBLE STUDY TEACHERS ANNOUNCED

Wednesday night the Bible Study Committee outlined its program for the first semester. The Bible Study Classes are to begin November 10th. The Junior teachers are Helen Gold and Marjorie Abbott; the Sophomore teacher, Clara Weller and Marjorie Abbott; the Freshmen teacher, Marjorie Mae Horton, Helen Shafer, and Ruth McCafferty.

Y. M. C. A. MEETING ONE OF UNUSUAL INTEREST

"WHAT ARE WE HERE IN COLLEGE
FOR?" SUBJECT FOR STUDENT
SPEAKERS.

The "Y" meeting of last Wednesday was by far the most interesting and best attended one held this year. If such interest and attendance continues in the weekly meetings the "Y" will soon have a leading place among many college activities. The speakers of last week's meeting were Carney, Skinner, Buchanan, and Larson, all of them speaking on the general subject, "What are we here in college for?" Many excellent thoughts were brought out by the speakers, who gave their personal experiences. At the conclusion of the discussion Dr. Schadt commended the speakers on the fine manner in which they spoke, and expressed his gratification in being present. Dr. Beller closed the meeting with an offering of prayer.

Burglar—"Don't be alarmed lady. I shan't touch you. All I want is your money."

Old Maid—"Oh go away! You are just like all the other horrid men!"

—Jack O'Lantern.

Frosh—"Sir I would like permission to be away three days after the end of vacation."

Dean Ross—"Ah you want three more days of Grace?"

Frosh—"No, three more days of Gertrude."

"When a man assumes a public trust he should consider himself public property."—Jefferson.

past two years.

A LETTER FROM PRESIDENT HIXSON TO THE ALUMNI

Inter-Collegiate football seems to be the best outlet for college spirit which we have today. On the day of the game as at no other time, the entire college is unified and enthused. This applies to the alumni as well as to the student body. Every old college man scans the columns of the paper eagerly for the reports of the games of his college. As often as he can he returns to see one of the big games of the schedule.

Allegheny alumni, this year, as well as the student body, are deeply interested in the Old Gold and Blue Team. Enthusiasm is rising as the season progresses. The team is non-professional, well-coached, brainy, and fast, and has played remarkably well against heavy teams. After a tie with Colgate and a defeat of the Grove City eleven, 3-0, all eyes are turned to the big game with Carnegie Tech at Pittsburgh, Saturday, November 6. Allegheny will send down a large number of rooters. It is earnestly hoped that the 600 alumni in Pittsburgh will turn out and that they will join the Allegheny cheering section as soon as they come on to the field and enjoy the event as in the old days.

FRED W. HIXSON.

Tech Objective for Many Students This Saturday

Over One Hundred Loyal Rooters Will Follow the
Blue and Gold Team to Pittsburgh.

According to all indications the number of Allegheny representatives in the Tech stands will break all previous records next Saturday. From the pumber who have signified their intentions of visiting the "Smoky City" it is estimated that at least a hundred college men and about one-third as many of Miss Huling's damsels will be on deck when the referee's whistle blows. With a large delegation of loyal Pittsburgh alumni to help out. Applegran's veterans will certainly have plenty of moral support.

The hard won victory over Grove City last week was all that was needed to put the football fever in all minds and this, coupled with the fact that Tech is out after visitors hot and heavy, is an incentive for everyone to dig down deep and figure out whether he can make the rifle.

Thiel, but lost heart when a touchdown by Hoppy Miller was forfeited on account of holding. After this the line was outplayed by Thiel. During the first quarter Thiel never once carried the ball into Allegheny's territory. For three quarters of the game the ball was in Thiel's part of the field. Miller for Allegheny out-punted Bell of Thiel throughout the game.

Allegheny's game with Colgate was one of the surprises of the season. The Colgate team outweighed the Gold and Blue twenty to twenty-five pounds per man. During the first half the play was always in Colgate's territory. Allegheny made seven first seven downs to one for Colgate during the first half. By the end of the game the Blue and Gold had eleven first downs against eight for Colgate. Graham made the first touchdown of the game for Allegheny when he went across the goal line on four straight bucks. Miller kicked the goal. Shortly after the second half opened Colgate tied the score. From then on the team played real football.

When the Allegheny men went on

The contest promises to be a close one and unless the weather man interferes both teams are going to display everything they have. In order to show the alumni and critics that we are still there with the punch, the team must play real football; and rooters are needed in order to have them do it. Many of the older alumni attend our yearly clash with the Plaid eleven to get a taste of the old "pep" as much as anything else and the college is going to give them what they want.

The school and the fraternities are making arrangements to accommodate any number of visitors so there is sure to be plenty of attractions besides the game and an assurance of a place to stay for those who are planning to stay over.

Notice to overdrawn bank accounts! Bessemer ore trains leave the junction most any time.

the field there was only one team and six substitutes. Colgate had five teams any one of which would outweigh the Allegheny team fifteen to twenty-five pounds per man.

The game with Dickinson College was one of the big games of the year. Preparations were made for a large attendance and due to extensive advertising one of the biggest crowds that was ever in Montgomery Field attended the game. It was the first time an Eastern football team has ever played at Allegheny. Many Dickinsonians came in their cars. The field opposite the bleachers was crowded with cars holding people as the ywatched the game.

Allegheny failed to show the same kind of fighting which helped them hold Colgate to a tie score. The only real fighting that they did was during the first quarter. Captain Baldwin starred in this game. He was particularly good on the defensive. Time after time he stopped the Dickinson runner in his tracks. Miller and Cunningham both played excellent games. Both were injured during the game. Miller will be out the rest of the season.

Dickinson made twelve first downs against three for Allegheny. Although Miller outpunted Young on every occasion Allegheny only gained 99 yards against 228 for Dickinson. The final score was: Dickinson 7, Allegheny 0.

FOURTEEN GAMES ON THE BASKETBALL SCHEDULE

West Virginia Wesleyan to Play Here. Colgate Game in
Erie.

Manager Daniel Robinson of this year's basketball team has practically completed the schedule of games for this season. The schedule is somewhat like that of last year with two new teams appearing here. The big game on the schedule will be played at Erie with Colgate University as opponents. After this game the two teams will entertain the Erie High School teams. This will also be a social event like Tech is putting on for Allegheny at Pittsburgh on Saturday.

Instead of playing both Pitt and Tech on the same trip this year a separate trip will be made to play Tech one week later than the former. As usual Pitt will not play here at Meadville. West Virginia Wesleyan will be a new team in Meadville being scheduled to play Allegheny on Wednesday, January 19. There are seven games at home and seven abroad. The schedule as announced is:

January 7—Geneva at home.
January 14—Niagara University at home.
January 19—W. Va. Wesleyan at home.
January 21—Pitt away.

GROVE CITY NO LONGER "JINX"

ALLEGHENY CAN CLAIM MAJORITY OF VICTORIES IN THE
PAST EIGHT YEARS.

Saturday's game with Grove City broke the tie in regards to the number of games won and lost by the two teams in the past eight years. Allegheny can now boast themselves as being on the long end of the argument. The people round and about this vicinity seem to have the impression that Grove City has been Allegheny's jinx. True it is that she has always been a redoubtable opponent and has fought her hardest to keep the Blue and Gold from always carrying away the honors but in looking over the results of the past eight years it shows that there has been but one tie game.

Grove City's wins were all played on her own field. Allegheny has won three times on Montgomery Field and once at Grove City. The tie was played at Montgomery Field.

OBSERVATORY OPEN FOR STUDENTS

Through the kindness of Dr. C. J. Ling, 7:45 tonight will find Newton Observatory open to the students of the college if the weather permits.

It will be impossible to get a good view of the moon, as the craters and shadows can not be well seen at this time but there are many other objects of interest in the sky. As no planets are visible at present a particular type of stars has been selected. These are the double or binary stars, so called because they are composed of two distinct components revolving around their common center of gravity, yet appearing to the naked eye as one point of light.

The first of these stars to be observed is Mizar, the star in the handle of the big dipper which appears to be somewhat out of line with the rest. If one looks closely with the naked eye he will be able to see a faint star near it so close that these stars appear almost as one. But the star itself is also divided as may be seen through the telescope.

The next object will be the north star, the star that always seems to have the same position in the heavens. Careful inspection through the telescope reveals the fact that this star also is a double.

Vega, a bright blue single star nearly overhead will be the next observed. Epsilon Lyra, a quadruple and close neighbor of Vega, will be the final object. This can always be seen as a double through the telescope and often as it is, a quadruple.

It is requested that the student guests do not make their appearance until 7:45. The time before that will be occupied by the Astronomy Class and this arrangement will give the interested students a chance to attend the Y. M. C. A. or other meetings.

Miss Martha Withers, '24, spent the latter part of the week at her home in New Castle, Pa.

GROVE CITY GOES DOWN TO 3-0 DEFEAT.

(Continued from page 1.)
During the game Allegheny gained 190 yards to 167 for Grove City. Each team made six first-downs, while Allegheny intercepted one more forward pass than did the opponents.

THE GAME IN FULL

Grove City lost the toss and Captain Baldwin choose to receive and to defend the west goal. Plumb received the ball on Allegheny's ten-yard line and returned it twenty-eight yards. Russell made two yards on the first play but the ball was called back. Stanley Plumb then made the first big gain of the game when he hit off right tackle for twenty-two yards, carrying the ball to Grove City's forty-yard line. Russell made about two feet at center and Miller two yards at right guard. Plumb then added three yards at left end and dropped back to try for a field goal which fell short. The Grove City quarterback showed poor judgment and caught the ball under his own goal posts and returned it only to the eight-yard line. Bible made seven yards at right end and Lukehart added one more at left tackle. Bible then made a pretty run behind good interference to Grove City's thirty-eight-yard line. Baldwin stopped Jones for one yard near the sidelines and then went to the other side of the line and dropped Lukehart for a loss of three yards. Jones was forced to kick and Russell caught the ball on his own thirty-yard line. Miller hit right guard for two and on the next play Mort Graham fumbled after making some yards. Grove City recovered.

It was Grove City's ball on Allegheny's thirty-two-yard line. The Maroon followers were cheering loudly for a touchdown. Bible kept them on their toes when he made four yards at right end. Lukehart made one on right guard and Allegheny called time out for an injury. Bible lost eight yards when Grove City tried a forward pass then Graham made up for his fumble by intercepting a pass and carrying it to his thirty-two-yard line. Miller made six yards at center and Plumb lost two when a play was pulled off in confusion. After Murphy's pass to Baldwin was incomplete, he punted to Sellers on Grove City's forty-yard line when Loomis dropped the runner in his tracks. Baldwin stopped Bible for no gain and Jones could make but one yard at left guard. The quarter ended when Putts punted to Russell on Allegheny's thirty-yard line and on the first play Russell made one yard. Score: Allegheny 0, Grove City 0.

After changing positions on the field Plumb made one yard and Murphy got off a quick punt to Grove City's forty-yard-line. Here Baldwin pulled off some good football by recovering the ball as it slid through the Maroon's back's hands, and it was Allegheny's ball on the visitor's forty-four-yard line.

Miller made two at right guard and Plumb one while Russell lost three yards while trying an end run. He slipped and fell. Murphy kicked to the twenty-eight-yard line and on the first play Grove City drew a penalty for off-sides. Bible lost three yards at right end. Putts punted to Morley on Allegheny's forty-five-yard line. On the first play Bible intercepted a pass at mid-field. Bible made four yards at right tackle and Jones five at the same place. Bible got a first down on Allegheny's thirty-five-yard line. Lukehart made one yard when Kramer stopped him and a cross buck netted the visitors three yards at right end. Plumb intercepted a pass on his fifteen-yard line. Plumb failed to gain on his first try but made nine and a half on his second attempt. Miller hit the line hard and got first down. Plumb then went off right tackle for six and lost two at right end. He failed to gain in his next attempt. Secor was substituted for Plumb. Murphy kicked from his twenty-yard line to mid-field where Sellers was downed in his tracks. Bible got seven at right end and three more through the line as the half ended. Score: Allegheny 0, Grove City 0.

Grove City came back with lots of fight at the start of the third quarter and in this period their weight showed to great advantage. Ford Miller kicked off to the visitors thirty-yard line, where Ruffner got the ball

and made little or no gain. Jones made fifteen yards at right end but the play was called back and Grove City penalized fifteen yards for holding. Jones made ten yards on two tries forcing Putts to kick the ball rolling over Allegheny's goal line. Morley played it well and allowed it to go for a touchback. The ball was brought out to the twenty-yard line. On the first play there was some misunderstanding on the part of the Blue and Gold's team and the play went for naught. They were also penalized five yards for off-sides. Morley did not gain and Plumb kicked to Sellers in mid-field who returned the ball seven yards. Jones was stopped at right guard but made two yards. Bible added four at right end and a first down through right tackle. Baldwin threw Bible for two yards loss but he came back with ten off right tackle. He failed on the next attempt while Jones made it a first down on Allegheny's eighteen-yard line. Jones was run out of bounds after two yards and Bible made one more. Putts tried for a goal but the ball went astray. It was the only chance for a score that the Maroons had. After this the Blue and Gold played well. Plumb made five yards at right end but lost one on the next play at the same place. A forward pass, Plumb to Baldwin for twenty-one yards, was the only one to work in the game and it took the ball out of danger. Cunningham made two at left guard and after one pass was incomplete Bible intercepted a pass on his fifty-five-yard line. Jones tried a long end run which would have resulted in a loss had not the Allegheny defense slipped. Baldwin and Graham gave chase across the field and seeing that he could not stop the Maroon back, Mort Graham threw himself at the giant fullback and so retarded his progress that Baldwin stopped him easily. Jones then added five yards at left guard but was stopped at right end. The third quarter ended with the ball in Grove City's possession on Allegheny's thirty-seven-yard line. Score: Allegheny 0, Grove City 0.

Allegheny came back with her hard fighting in the fourth quarter. Dundon tore through center and stopped Jones before he reached the line. Allegheny was detected holding and fined fifteen yards, placing the ball on the fifteen-yard mark. This put added pep in them and they stopped Bible for a loss and Grove City was penalized ten yards. Bible failed and on the next play Morley intercepted a pass on his own twenty-yard line. Allegheny got steam up and started her steam-roller. Plumb made seven at right tackle and on the next play carried the ball to mid-field. It was his third long run of the game and for twenty-three yards. Plumb added nine more at left tackle and held onto the ball though he received some very rough treatment from his opponents. Miller hit right guard hard and netted three yards and then two more at right tackle. A long pass to Baldwin was incomplete as it was beyond his reach. Plumb thinking that Allegheny should have a score slid off right tackle for twenty-four yards thus placing the ball on the visitor's twenty-two yard line. A pass was incomplete and Graham made one yard. Plumb dropped back to the thirty-three yard-line and put the ball between the goal posts from the very spot where Putts had missed his try. Score: Allegheny 3, Grove City 0.

The crowd in the stands almost surged upon the field as they were so enthused with the good work. Miller kicked off to Stephanian on the thirty-yard line and he runs the ball back to mid-field. Bible made eight and Jones a first down. Stephanian made two yards at right guard and on a criss-cross Wright threw Bible for a loss of six yards. Bohlender was called back to pass and Baldwin broke up two of them. The second pass was to four men but Roger was able to spoil it. Morley failed to gain. Allegheny was fined five yards for stalling. Plumb lost four at right end and Miller gained one at center. Plumb got off a nice punt from his twenty-yard line to Grove City's thirty-yard line. After two passes were incomplete the final whistle blew ending the game. Allegheny 3, Grove City 0. The line-up:
