

*Mr McKinley*

February 18, 1935

Major General James McKinley  
War Department  
Washington, D. C.

My dear General McKinley:

Thank you for your prompt and satisfactory reply to my letter of February second requesting information in regard to the cost of the Spanish American War. Your letter indicates just where I can find all that has been published by the War Department and that is the kind of help I wanted.

Thanking you again for your courtesy, believe me my dear General McKinley

Very truly yours
