Dear Mrs. Rudolph:

The West Virginia Review has not appeared, but if it does not I shall write the publisher. I certainly want the copy of the Hank article.

Have you seen Dr. Warren's announcement of a new Lincoln Bulletin called "The Lincoln Kinsmen," which has as he says further objectives - the release of authentic information about the Hanks family?

I shall be interested, and I know you will be even more so, to see what he produces.

With all good wishes

Faithfully yours
