POST SEASON GAME RESULTS IN VICTORY

Defeats Soldiers from Camp Lee 7-6 in Snowy Battle at Greenville—Review of Former Games

Playing in a blinding snowstorm on a field covered with a foot of snow the team from Camp Lee succumbed to the attacks of the undefeated Gold and Blue team. It was a most interesting game from start to finish, and was thoroughly enjoyed by the 3000-4000 spectators who braved the storm to witness the battle. It was fought from the word "Go," and both the soldiers and locals had enough pep to keep the spectators on their toes all of the time. Both teams claimed the field was their disadvantage, but the unbiased conceded the advantage to Allegheny on a dry field. Only in the fourth quarter did the soldier-boys succeed in advancing into our territory, and on this occasion only as far as our 40-yard line. Three times Allegheny had the ball within the 10-yard line of the opponents and on two other occasions the ball was near enough for Kerr to have a chance to make a dropkick. Only the heavy condition of the field kept these attempted field goals from succeeding. The final score was 7-6.

The game looked very much like it might result in a scoreless tie at the end of the first quarter. Neither team displayed enough of superiority over the other in the first period to make it possible to forecast victory for either team. The period ended with the ball in Allegheny's possession on the Camp Lee 40-yard line. It looked as though the game was going to be nothing but a series of fumbles when the soldiers dropped the ball four times and Allegheny lost control once. Every time the ball was dropped it was necessary to dig it out of the snow. Both teams fought hard, however, and kept the spectators in an expectant mood.

Early in the second quarter the fun began, when Holland intercepted Kerr's forward pass on Camp Lee's 10-yard line and ran the length of the field for a touchdown. The spirits of the crowd fell when Allen failed to kick the goal that would have stayed on defeat, if he had been successful. Allen kicked off for Camp Lee, but his kick went straight up into the air, and Homan received the kick on the 50-yard line. Captain Baldwin had not yet recovered from the shock that Holland's 90-yard run had given him, and so on the next play he went straight through center, a distance of 50 yards for a touchdown. Kerr took plenty of time in preparing to kick the goal from touchdown, and couldn't have made a prettier kick on a dry field. The kick from touchdown was destined to be the last scoring of day, but it was enough to keep the local record for the season clean.

To say that certain men played better or fought harder than others is to state a condition that does not coincide with the facts of the case. Every man on the Allegheny team fought hard throughout the contest, and are deserving of every consideration for the vigor with which they contested every inch of the ground, especially in such unfavorable weather. However, it might be said that the work of Baldwin, Cook, Kerr, Filer and M. Scannell stood out on several occasions as sensational. Baldwin's 50-yard run for a touchdown and Kerr's perfect kick were directly responsible for the defeat of the soldiers. Cook's line plunging was the best that he has done this year. On one occasion he hit guard for a 35-yard gain. Filer and Welty, at tackles, broke through Uncle Sam's defenses and held up the advance of the rear guard when it made attempts to advance into Allegheny's territory. The Scannell brothers kept the left and right wings well protected, while Homan, in charge of the center of the line, was invincible. Baum and Kramer played well at guards. Preston played a good game at left half.

For Camp Lee, Captain Holland, Pierotti, Callahan and Booth played stellar games. Holland's 90-yard run for a touchdown was the feature play of the day. Besides, this one run he

made several others that stamped him as the individual star of the Camp team. Callahan was successful on the receiving end of the aerial game as well as in the running attack. Pierotti, at quarterback, played an all-around hard game. Booth, an All-American tackle from Princeton of 1907 fame, was the best man in the soldiers' first line defense. It was almost impossible to turn his wing for any substantial gains. As in the case of the locals, the entire team played hard to the finish. The line from end to end averaged 182 pounds.

The summary follows:

First Quarter.

Kerr kicked off to Callahan, who returned the ball to the 38-yard line. Holland was held at center. Camp Lee penalized 5 yards. Cain slid off guard for 4 yards. Pierotti added 5 more off tackle. Pierotti again succeeded off tackle, adding 3 yards. Callahan fumbled. Allegheny's ball on 45-yard line. Preston hit guard for 2 yards. Baldwin fumbled a bad pass for a 1-yard loss, but recovered. Kerr's pass to M. Scannell failed, but was allowed on account of Camp Lee interfering with Scannell. Kerr punted to Cain on the 20-yard line. Filer recovered Cain's fumble on 20-yard line. Baldwin was held in an attempted end run. Preston slid off tackle for 3 yards. After a pass from Kerr to M. Scannell failed, Kerr kicked over the line and the ball was given to Camp Lee on the 20-yard line. Callahan recovered his own fumble for a 4-yard gain. Callahan went through center for a 2-yard gain. Pierotti lost 3 yards on a fumble but recovered. Holland punted to Baldwin on the 40-yard line. Cook made 3 off guard. Quarter over. Allegheny's ball on 37-yard line.

Second Quarter.

Kerr's pass to Baldwin netted 10 yards and first down. Baldwin then plunges through guard for 7 yards. Cook through center made 2 yards. Preston advanced the ball 4 yards off tackle for a first down. Cook through center made 4. Preston lost 2 around left end. Ball on 15-yard line. Holland intercepted Kerr's pass on the 10-yard line and after eluding the second line of defense ran the length of the field a distance of 90 yards for a touchdown. Allen's failure to kick goal was destined to spell defeat for the Soldiers.

Allen made a sorry attempt at a kickoff and Homan received the ball on the 50-yard line. Baldwin pierced the first line of trenches, eluded the second line defense, passed safely by the outposts and went over the top for a touchdown. Kerr kicked a perfect goal from touchdown. Score, 7-6.

Kerr kicked to Miller, who was held on the 38-yard line. Holland made two yards. Holland slid off tackle for 5 more. Cook broke through and threw Holland for no gain. Welty broke up Pierotti's attempted pass. Allegheny's ball. Cook made 5 off tackle. Baldwin went around end for 15 yards. Preston added 1 more. Cook was thrown for no gain. Kerr to M. Scannell failed. Forward again failed. Camp Lee's ball on 24-yard line. Preston recovered Callahan's fumble, and the quarter ended, with the ball in Allegheny's possession on the 20-yard line.

Third Quarter.

Cain kicked off to Welty, who received the ball on the Allegheny 45-yard line. Preston made 3. Cook plunged through guard a distance of 35 yards. Preston was held. Cook hit center for 10 yards. Cook, off tackle, 5. Cook, through center, 8 yards for a first down. Preston, off guard, added 3 more. Cook was held at center for only a 1-yard gain. Criss-cross Baldwin to Kerr, no gain. Kerr failed to dropkick. Soldiers' ball on 20-yard line. Callahan was thrown by Welty for a 5-yard loss. Pierotti's pass to Callahan was completed, but resulted in no gain. Cain to Pierotti failed. Cain kicked to out of bounds on their 25-yard line. Baldwin made 5 yards off tackle. Kerr recovered Cook's fumble for a 5-yard gain (first down). Baldwin recovered Cook's fumble. Cook gained 4 through tackle. Baldwin made 3 through guard. Quarter over. Allegheny's ball on 10-yard line.

Fourth Quarter.

Baldwin plunged center for 2 yards but it was Camp Lee's ball on downs.

Baldwin recovered fumble on 12-yard line. Cook made 1 yard through center. Baldwin failed at right end (no interference). Cook added 1 more. Pass from Kerr to Scannell failed. Camp Lee's ball on 10-yard line. Holland failed after Callahan had made 1 yard through guard. Pierotti's pass to Holland was grounded. Holland was forced to retire in favor of Wallace. Pass again failed. Allegheny's ball. Baldwin no gain. Preston made 3 and Cook 6 on the next two plays. Cook made 1 foot and it was Camp Lee's ball on downs. Callahan was held for a 2-yard loss. Pierotti succeeded off tackle for a 5-yard gain. Pierotti to Callahan brought the ball to Allegheny's 40-yard line. Pierotti's pass to Callahan was incomplete but pass was allowed because Cook interfered with Callahan. Pierotti added 2 more. The game ended when Pierotti's pass to Callahan succeeded.

The members of the Allegheny team, Coach Hammett, Manager Lane and all who accompanied the team desire to express their thanks and appreciation to the men who managed the game and also to the citizens of Greenville for the cordial reception that was accorded them. The manner

war broke out between United States and Germany, however, and it was found necessary to start Colleges late in the Fall preparations for the big contest could not be completed early enough to assure a good game if the two teams should clash. Accordingly the game was cancelled and Allegheny was compelled to be satisfied with a schedule embracing six opponents, including Geneva, Thiel, Carnegie Tech, Grove City, Westminster and Akron University.

Coach Hammett and Assistant Coach Gilbert, former star center for Allegheny, had an abundance of good material with which to start the season, despite the fact that the war deprived them of the services of Harbaugh, Cunningham and P. Cook, last year's center, right half and sub-guard, respectively. On opening day five of last year's varsity, including Baldwin, M. Cook, J. Scannell, Filer and Heckman, were on hand to start the season, and two weeks later M. Scannell, last year's captain, returned for work after having been rejected for the Army on account of poor eyes. Besides these six varsity men there were Kerr and Preston, who had served one year's apprenticeship in the backfield, and Engstrom, whose absence on the Mexican Border last year had made it impossible for him to earn a position on the varsity. It remained for Welty, Kramer and Homan, three Freshmen, to fill the vacant positions, namely right tackle, right guard and center. The team that was thus constructed is the team that has not tasted defeat.

Led by Captain Baldwin the locals opened the season by administering a decisive defeat to Geneva on Montgomery Field, Saturday, October 20. The green line proved to be the most agreeable surprise of the afternoon, it being impregnable. Filer was the shining light in the defense department.

in which the Allegheny men were transported from one part of the town to the other in the automobiles of the citizens of Greenville and the reception that was given them in the evening both tended to make the locals feel indebted to our neighboring townspeople. These examples of the hospitality of the Greenville people are not the only ones, however, that caused those who were their guests to enjoy themselves. Everybody on the trip is indebted to the citizens of Greenville for the good time that was shown them.

ALLEGHENY IS UNDEFEATED ON GRIDIRON.

The eleven representing Allegheny College on the gridiron this season will go down in local football history as one of the best that has ever represented this Institution. Not only does it have a clean slate on account of not having been once defeated, but during the entire season there was only one first down made through their defense. Only one team succeeded in scoring a touchdown against the Gold and Blue, while in six contests the locals ran up a total of one hundred and fifty-two points.

On account of the fact that College opened up later than usual the football schedule was necessarily shortened, and the teams engaged by Manager Lane were somewhat lighter than usually appear on the local's schedule. Last Spring arrangements were made between Allegheny and Rutgers whereby the two Colleges were to open their respective seasons by a game at New Brunswick, N. J. When

CAPT. BALDWIN.

To Allegheny football fans "Baldy's" exit from our combination is an occasion for walling and gnashing of teeth. Baldwin's open field running and line work netted him a grand total of eight touchdowns during the season while his consistent work on the defense saved Allegheny from being scored on more than once but especially in the Grove City game. Hodge, of Grove City, caught a long forward pass on the 50-yard line, and had a clear field and no near pursuers, when "Baldy" drew out from the crowd at a 2:16 pace and spoiled the party on the nine-yard line. His sensational work in every branch of the game has made him Allegheny's most valuable man, but what the team will remember is the interest he has shown in the individual men, and his ability to keep his team keyed up to their best. A good all-around player and a good captain, Allegheny will feel the loss of "Baldy," if he should not be back next year.

FILER, '19.

In his Sophomore year Enoch donned a suit, presented himself before Coach Hammett, and entered Allegheny's football history at once, winning a first team berth from the start of the season. Left tackle proved to suit him best and the fact that he has held that position for two seasons is sufficient proof that his worth in the place is not to be slightly estimated. His first season Enoch proved to be

peets but all expectations were shattered when a series of injuries terminated in a bad leg which kept him out for the greater part of the season. However, "Mike" came back strong the next year and in spite of some interference on account of the old injuries, settled his place on the varsity line. His playing was so brilliant that when the choice for Captain 1916-17 was to be decided, "Mike" was the man for the place, and fulfilled it in a manner that proved his right to the place. He played every minute of the entire season, except a few minutes of the Buffalo game, and received especial notice for his remarkable work in the reports of every game. And this, his last year in Allegheny football, "Mike" came back strong with his old supply of pep, and filling the position at left end as only he can, proved his former ability not lacking in the slightest. His skill in going down under punts, breaking up interference, and receiving forward passes have made him invaluable to the team and it is certain that his absence will be sorely felt next year, for "Mike" Scannell and left end have been closely connected in the minds of Alleghenians for the three past years, and his place will be difficult to fill.

ENGSTROM, '18.

"Gus" Engstrom followed the pigskin through his three years of college life, playing on the second team and picking up the fine points of the game while ever watching for a "varsity berth to fill. He was ever a hard worker and played his position with ability that won him a place as a varsity man this season, when the injury of Heckman left the position of left guard open. When Coach Hammett selected "Gus" to fill the breach, it proved that he judged rightly in picking a man to do his share in maintaining Allegheny's "stone wall defense" which has served so well in the past season. "Gus" was ever on the job in the Westminster and Akron games and playing steadily and consistently between Filer and Homan met the opposition like the veteran that he is. It is unfortunate that graduation will take Engstrom away from the team this year, for his experience and steady playing would doubtless make him a valuable man next season.

COOK.

Big "Mack" Cook has done his full share to bring Allegheny through a successful season. While not sensational, he can always be depended upon to gain ground through the line, but his strong point is his defensive game. He has shown ability to sense the direction of plays and break them up in rare style. Another of the second year men, he should be indispensable to Allegheny in his remaining two years of play.

PRESTON.

In "Johnnie" Preston, Allegheny has another fine backfield man. Not so spectacular as Kerr or Baldwin, Johnnie can always be depended upon to find a hole in the line if there is any to find. He showed up especially well in the Westminster game, where he was Allegheny's most consistent ground gainer, and succeeded in shattering more than his share of the Westminsterites' plays. Preston's strongest point is probably his huskiness, for it is almost a by-word that "they can't hurt Johnnie." With two years more to play, Preston is one of the most promising men on the team.

HECKMAN, '19.

"Ed" started out in his Freshman year to show that there was football material in him, and shifted between the positions of center and left guard on the second team, gradually gaining the experience which made him a first team man his second season. Last year he had no difficulty in securing a steady berth in the position of left guard, and with his experience of the previous season, soon developed into one of the dependable men of the line. He is strong on the defense and does

his share when the offensive drives are being made. He missed but one game of the 1916-17 season, but this year hard luck took a hand and injuries to a knee in the Grove City game prevented his holding down his position in the two last games of the season. Heckman's share of the valuable space allotted to the line has always been well guarded and more than once the opposition has suffered when "Ed" opened up a hole for an Allegheny gain. Genuine regret was felt plet forward pass was made over center. Allegheny, with Homan at center, need have no fears as to the pivotal position on the line. Homan is due to have three more successful seasons at Allegheny.

Kramer and Welty are home products. They took care of right guard and tackle, respectively, and together with Jack Scannell, on end, completed the right side of Allegheny's rush line.

JACK SCANNELL.

Jack Scannell is an "A" man from last year. Jack plays a game in many respects similar to his brother Mike. He is an ideal terminal man, quick at getting down under punts, a good tackler, possessed of sound football sense, and adept at the forward pass. He was indirectly responsible for several touchdowns this season via the aerial route. In one game he came within a yard of scoring a touchdown, after gathering in a forward pass, when it became known that his injuries were such as to keep him out of the game the rest of the season, and the loss of his valuable line work was only accepted with the hope that he will be back in his old position when the team lines up next year.

HOMAN.

Homan, an Erie High School product, was selected to fill the vacancy left by ex-Captain John Harbaugh, at center. Homan has a fine physique, standing six feet in height and weighing about 185 pounds. Right well did he make use of his brawn. In every game he was one of our best defensive men. Time and again he made tackles behind the opponents' line, throwing them back for a loss. Coach Hammett had him well trained at breaking up forward passes, at which he showed up well in the games. Scarcely a com-lucky for Allegheny he still has two more years to play.

KERR.

In Kerr, Allegheny has one of the cleverest and most peppery quarterbacks in Western Pennsylvania. He is an all-around man, shining in all departments of the game; a dependable man for drop kicks or a punting duel; a good ground gainer by his clever foot work, although one of the lightest men on the team; a brainy general in directing the Allegheny attack; the only dependable passer in the Allegheny combination; and a man well represented in tallies, as a glance at the records will show. "Snivy" is especially noted as a fast and elusive open field runner, and with

two years more to play is one of the most valuable men on the squad.

Go to Mendel's for Society Brand Clothes.

KRAMER.

Kramer was the heaviest man on the team, weighing about 192 pounds. Our sympathy goes out to the poor scrub who had to line up against Kramer all season. Kramer worked on an ice wagon all Summer and was "hard as nails" when the season started. Kramer played center in High School but Coach Hammett made him into an efficient side kick for Homan. Kramer has a successful outlook in front of him and bids fair to be one of the most powerful line men who has played on an Allegheny team.

WELTY.

Welty came up to school with little or no football experience. Coach Hammett, however, saw the possibilities in the big fellow and worked unceasingly during the first few weeks. Welty was equal to the occasion and assimilated Coach Hammett's advice quickly. Welty is big and fast, peculiarly fitted for the tackle position. As the season progressed he became more adept at using his hands. This was especially noticeable in the Akron game, due in a large measure to the efforts of Coach Hammett in preparation for the game. With Welty in the line up next year Allegheny will have another impregnable first line defense.

MANAGER LANE.

Manager Lane has successfully piloted the team through a successful season. Satisfaction to the student body, the team, and the coach has been his platform, and he has certainly lived up to it. May his successor follow in his footsteps.

point nor a first down had been registered against the Blue and Gold.

When the 1917 team lined up for the fourth game of the season with Grove City for their opponents, they were determined to break the old jinx that has haunted the southeast corner of Mercer County for many years in the past. They opened the game with a vigorous offense that took the Grove Cityites off their feet, and before the latter could realize what had happened the ball was carried to the 1-yard line, from which Kerr had no trouble making a touchdown. He also kicked goal. To Captain Baldwin belongs the spoils of the victory, for he was the shining light in every department of the game. His sensational run after Hodge, when the latter had a clear field in the last minute of play, spoiled Grove City's chances for victory, and dealt a deathblow to the old jinx. The final score was 10-6.

The Westminster game, played at Sharon, was almost devoid of features. Preston played the best game for Allegheny, both in offense and defense. Three touchdowns and three goals from touchdown totalled 21 points for the Blue and Gold, while the best that Westminster could do was to draw a blank. In this contest, Westminster secured three first downs via the aerial route. Allegheny scored 17 first downs.

The season was closed Saturday, November 24, at Montgomery Field, when the locals had as their opponents Akron University, runner-up for the championship in the Ohio Conference. The team was now working in true veteran fashion, and proceeded to dampen the aspirations of the Ohio team by whitewashing them 33-0. Captain Baldwin, Kerr, Filer and M. Scannell were the heroes of the contest. M. Scannell, captain of the 1916 team, and one of the best ends that Allegheny ever had, played his last game for the Gold and Blue. A four-year veteran, his fighting spirit has made him a most valuable player, whose place will be filled next year with difficulty. Engstrom also graduates this year. If it were not for the war, Coach Hammett now has the nucleus for one of the best teams in Allegheny's history developed for next year.

READ THE ADVERTISEMENTS.

The Campus calls the attention of the student body to the necessity of patronizing the business men who advertise in these columns. The Meadville business men are spending good money to help make the Campus a success, and naturally they look for some returns on their investments.

Undoubtedly the business houses who are not running ads this year have what they consider good reasons for not doing so. But the fact remains that they are not advertising, and so are not pulling for the college. If the students will spend their money where it is wanted, the houses that are not now advertising will realize that they will have to run ads regularly to get the college trade that they most desire.

NEXT YEAR'S LEADER CHOSEN.

Enoch Filer Unanimously Elected
Captain of Football Team for 1918.

At a meeting of the football team held last week, there was only one name considered for next year's captaincy, Enoch Filer, and he was unanimously chosen to lead next year's championship team. The choice of Enoch for captain has met with unqualified approval from the student body. There was not a more popular player on the team than Enoch and while his work was such that it did not show up as others did, yet he received the applause of the students as much as any backfield star. Filer has all the qualities which will make him a successful captain of the team, and we predict that under his leadership the team will have a successful season and will be of championship calibre.

Capt.-Elect Filer

THE SECOND TEAM.

If the success of the 1917 football season can be attributed to any one factor the aid given by the second team lays a strong claim for the honor. It is the second team which bears the burden throughout. Every night they come out and face the onslaughts of the first team and then when it comes time for a game—they usually decorate the bench. Too much praise cannot be given them; they deserve all that may be showered upon them. In many cases the scrubs hold the future stars which will represent the school. Coach Hammett looks carefully after his second team men, so that in recognition of their faithful work "A" seconds have been awarded to thirteen men.

Hall, who was Mike Scannell's understudy—"Oscar" has first call on Mike's end for next year. He played in two games which did not count toward a letter; as it was, he missed it by only three quarters.

Bourquin, Leffingwell, Patterson, Volk and Clough, made up the second team backfield. They offered stubborn resistance to the first team in every scrimmage and put up a plucky fight.

Booth and Wiltsee played ends. Booth has missed but two or three scrimmages since he came to school. Handicapped by his slender build, he nevertheless puts up a game fight. He is adept at the receiving end of the forward pass and was fortunate to score one of the few touchdowns scored on the varsity in practice.

Clark, Prather, McEntarfer, Baum and Leaf formed the second team line. These men, as much as any, received the short end of the sport. These are the men who charged Allegheny's impregnable line night after night in an attempt to open up holes for their backfield men. Coach Hammett has a wealth of material in these men for succeeding teams. Coach is very optimistic for the next year's team, losing but two men, M. Scannell and Engstrom.

AN APPRECIATION OF COACH HAMMETT.

Ask any Alleghenian who deserves the most credit for the wonderful record Allegheny teams have been making, and the answer will be immediate and with emphasis, "Coach Hammett." At the conclusion of his fifth season with Allegheny teams, Coach Hammett leaves behind him a most remarkable record, a record that shows his ability in molding teams, in training men from green material to finished players, and most of all his ability in imbuing his teams with his own indomitable spirit, the spirit that turns defeat into victory. Several times in the past five years the Coach has begun the football season with new material, men of but little experience, and but few former varsity men. But the result has always been the same—Allegheny has not only succeeded in maintaining her football record but has been able to build up a reputation that is winning recognition

from Eastern institutions of note. Each season brings a little better results than the last, and we are looking forward with anticipation to the schedule of next year, said to be harder than ever before, with full confidence in the man who has built up Allegheny's athletic standards to their present excellence. And, setting aside athletic records, Coach Hammett has won a place for himself in the hearts of all true Alleghenians, whether he knows it or not, a place dedicated to the man whose efforts are constantly centered upon fame and glory for the old College.

Y. W. C. A.

The Sunday evening meeting of the Y. W. C. A. was held in the Association lounging rooms in Hulings Hall. Miss Meredith Neal '19, as leader, gave the girls a very interesting talk about Alaska. The girls were especially interested in the industrial homes of Alaska, which Miss Neal described. After this talk there were none of the girls but could help feel the appeal of Alaska to America. The selection of the evening was a vocal solo by Miss Dortha Kerr, '21.

PHI KAPPA PSI.

A very interesting letter was received from Ralph H. ("Preach") Ware, in France, last week. Referring to a box of smokes which was sent over to the boys some time ago, he says, in extracts, "I have a place for you in my box, packed and sent so long ago. The box concerning which I corresponded with the leading officials of this red tape country, the box variously reported as 'ordered,' 'arrived,' 'arrived not yet,' 'import leave necessary,' and now blazoned as 'in our midst.'"

"The correspondence was carried on in a vexatious manner. They write in French, and it was more than Kewpie's French and I could master. To get even, I answered in English, using my 'English 47' vocabulary. When we went down to the station, Kewpie did the parlez-vousing. After a half hour, I found the box and there anchored myself. 'Neither life, nor death, nor principalities, nor powers, etc., could have separated me from it. I gave Kewpie the power of attorney to sign my name wherever he was asked to. I don't know what he committed in the author's name.'"

Curly Stewart amused the brothers the other day by wiping the dust away from one of his books. Several of the brothers went to Greenville to see the Camp Lee game there Saturday. Dr. W. W. Youngson, '91, of Portland, Oregon, was here Friday and Saturday reviving old times. Brother Youngson has had quite a long and splendid visit "out East."

PHI GAMMA DELTA.

H. M. Weeter, '11, has been appointed Professor of Dairy Bacteriology in Purdue University.

S. E. Nichols, '12, has announced to the Fraternity and to the world in general that he is the proud father of a young Fiji.

"Harts" Hartman, '15, is now Y. M. C. A. Secretary at Camp Beauregard, Alexandria, La.

The Misses Rischell and Lieut. D. H. G. Matthei were dinner guests Saturday, December second.

Sunday dinner guests at the Phi Gam House included Miss Helen Thoburn, ex-'20; Miss Elizabeth Smith, ex-'20; and Miss Marie Wise, '21.

John W. Barclay, '11, has been appointed secretary of the Cleveland School Board.

W. D. Dotterer, '13, has gone from the Department of Health in Princeton, N. J., to Chicago, where he is dairy bacteriologist in connection with the milk supply of that city.

DELTA TAU DELTA.

On Friday evening, the Delt Pledges and several of their friends entertained at the House. A six course dinner was served with plates laid for twenty-two. Dr. and Mrs. Schultz acted as chaperones. The following young ladies were present: The Misses Robrecht, Haines, Wise, Morrison, Kerr, Dorothy Richards, Hughes, Lerman, Turner and McCune.

Misses Celia and Katherine Bolard, sisters of Fredrick Bolard, who is now in the United States Navy, entertained at a week-end house party at their home in Cambridge Springs, the following guests: The Misses Dorothy Richards, Cecile Edwards, Mary Carroll, Louise Renner and Messrs. Scuders, Stetson, Eberlee, Irvin, Robert McCreary and Goodrich.

PHI DELTA THETA.

Mr. Vachel Lindsay, who recited a number of his poems Tuesday evening in Chapel, was dinner guest at the House, together with Dr. Schulz.

Invitations have been sent out for an informal House party, Saturday evening, December fifteenth.

"Gus" Engstrom was taken suddenly ill Wednesday evening and removed to the City Hospital. The boys hope for his speedy recovery.

"Junts" Volk received a letter from "Swak" Hirst the other day. He writes: "Things are going pretty well with me, over here. The only thing that is a real inconvenience is that I have to go about seven miles to take a bath. Have Chlothier mention me to 'all' my lady friends upon the Hill. My address has been changed. It is now Geo. E. Hirst, Co., 'F', 15th U. S. Engineers, American Expeditionary Forces, via New York City."

R. F. Brownell, '19, was initiated into Alpha Chi Sigma, the honorary chemical fraternity, Thursday evening. He survived the trying ordeal in fine shape.

Rev. Miner, of Dubois, who spoke at the Thoburn Club, was guest at the House Thursday evening.

Verne Reed is keeping "Gus" Engstrom company over at the City Hospital.

Fraternal spirit is aptly displayed here. Gus Engstrom was removed to the City Hospital Thursday morning. That very evening, Verne Reed, who

has been ailing the past week, became so ill that he, too, had to be removed to the Hospital. The invalids are occupying the same room. Their speedy recovery is hoped for by everyone.

SIGMA ALPHA EPSILON.

Fred Trace, ex-'19, has enlisted in the aerial branch of the service, in the non-flying division. He is now at Fort Slocum.

Seely F. Campman, '15, has recently been initiated into Phi Rho Sigma Medical Fraternity at Western Reserve University.

A recent letter from the boys in France states that, in addition to the fact that they have each bought one or more Liberty Bonds, several of them have received non-commissioned offices.

Go to Mendel's for Society Brand Clothes.

ALPHA CHI RHO.

Due to an error, the names of Merl L. Smith, '20, and Harold J. Cawthorne, '21, were omitted from the list of Alpha Chi Rho Pledges as published in last week's Campus.

Guy "Kimo" Runniger, '16, stopped at the House for a few hours Thursday on his way to New York, where he will enter the Railway Operating Section of the U. S. Engineers. "Kimo" leaves the service of the Erie R. R. as the head of a party of Erie civil engineers.

Announcement of the marriage of C. B. Winn, '13, to Miss Laura J. Dongan, of Yonkers, N. Y., was received this week.

Floyd B. Owens, ex-'20, is employed in the Analytical Laboratory of the Perry Iron Co., in Erie, Penna.

THE FORUM.

The regular meeting of the Philo Franklin Forum was held at 4 o'clock Thursday in the Oratory. The debate was on the present day labor situation—Resolved, That a State Board of Arbitration similar to the Massachusetts Board should be organized in Pennsylvania for the purpose of settling labor disputes. J. J. Humes, '20, and F. Thoburn, presented points on the affirmative side, while F. B. McCafferty and C. D. Mornewick argued from the negative standpoint. The debate was closely contested on both sides, but the negative side pulled the deciding vote.

At the next meeting of the Forum, the varsity question will be debated. R. E. McCreary, '18; Wissinger, '18; J. Castle, '18, and R. Parrish, '20, will be the speakers.

All interested in debating should be present at the next meeting.
