OF THE ALLEGHENY RACQUE-
TEERS. FLINT AND COCHRAN
PLAY THEIR USUAL GAME.

In the second match of the season, Allegheny decisively defeated the University of Pittsburgh tennis team on the Phi Delta Theta and Phi Kappa Psi courts last Thursday afternoon. With a high wind sweeping across the courts at a great velocity, place shots went wild. However, some excellent form was exhibited by both teams, and a large crowd was on hand to witness the match.

Dunbar, playing his first match for the Blue and Gold, did very well, considering the fact that he has had but very little practice. Bittner, also appearing on the court for the first time this year, played a steady game and took two out of three sets of singles from Peifer.

Green, the Junior champion of the Smoky City, provided some stiff opposition for Cochran, who finally solved the southpaw's serve and won in straight sets 7-5, 8-6.

For a short time it appeared as though the Blue and Gold net men would lose the doubles and with them the entire match. Green and Beecher decisively defeated Flint and Cochran in the opening set, whereupon the locals strengthened and won the next two sets. This relieved the critical situation, although Williams and Peifer defeated Dunbar and Bittner in a very close match on the Phi Kappa Psi court.

Summaries:

Singles

Cochran, Allegheny, defeated Green, of Pitt, 7-5, 8-6.

Flint, Allegheny, defeated Moulton, Pitt, 6-2, 6-1.

Bittner, Allegheny, defeated Peifer, Pitt, 6-2, 2-6, 6-3.

Williams, Pitt, defeated Dunbar, Allegheny, 7-5, 6-4.

Doubles

Flint and Cochran, Allegheny, defeated Green and Beecher, of Pitt, 1-6, 7-5, 6-1.

Williams and Peifer, Pitt, defeated Dunbar and Bittner, Allegheny, 6-4, 2-6, 6-3.

Next Thursday afternoon the Allegheny racquetters will journey to Greenville to meet the Thiel College team of that place. Information regarding the strength of the Lutherans is lacking, owing to the fact that this will be their first match of the season. Besides Manager Cochran, Flint, Bittner and Dunbar will make the trip.

PRESIDENT HIXSON.

President Hixson has been unusually busy this last week. On Friday, May 13, he was in Harrisburg attending the Spring meeting of the Association of College Presidents of Pennsylvania. From Harrisburg he journeyed to Philadelphia, where he was present at the Philadelphia Alumni Association Banquet held at the Covington Apartments on May 14. Today President Hixson will be in Erie to deliver an address at the District Convention of the Epworth League which is being held at the First Methodist Episcopal Church.

Dickinson College has received the support of the Central Pennsylvania Conference of the Methodist Episcopal Church in its contemplated financial campaign for \$300,000, which when completed will be supplemented by an additional \$150,000 by the Rockefeller Foundation.

CITIZENS' TRAINING CORPS

TO BE INSTITUTED THIS SUM-
MER AT CAMP MEAD.

Men of Pennsylvania, West Virginia and Maryland, between 16 and 30 years of age, will have an opportunity to try Army life during the month of August at Camp Mead, Md., with all expenses and transportation paid, in the Citizen's Training Corps.

The camp will be under the direction of World War veterans, who will direct the military training, as well as out-door sports of every variety.

Applications for the camp should be made to the Commanding General of Third Corps Area, Camp Mead, Md., and should be accompanied by recommendations from prominent men of the community in which the applicant lives. Applicants will be required to undergo the regular army physical examination.

Camp operations will fall under three heads: (1) Basic training; (2) Non-commissioned officer's school; (3) Reserve Officer's training school.

In case of non-residence in the three states mentioned above, applicants may secure full information by writing to the War Department, Washington, D. C.

There are nine training areas for Citizens Training Corps which will be in operation this summer. It is interesting to note the growth of the National preparedness defense, since the institution of the first Citizens' training camp at Plattsburgh in 1915.

GREEKS HAVE FIRE SCARE

FLAMES THREATEN TO DESTROY
HISTORIC LANDMARK MONDAY.

Fire Breaks Out on Second Floor of
Sigma Alpha Epsilon House.

A fire, which for a time threatened to become serious, but which was soon brought under control, was discovered in a back room on the second floor of the S. A. E. House about 10:20 o'clock Monday morning. Prompt action soon had the blaze subdued. The damage is estimated at \$20.00.

It is thought that the fire was started by some one throwing a cigarette butt in a waste paper basket as the blaze seemed to have started from that point. Ted Redmond is the man to whom credit must be given for his good work as a fireman.

It was learned from a reliable source that one Sig was heard to say, "I hope the old thing does burn down, then we can get a new one on the insurance money."

DUNBAR WINS INTER-COLLEGI-
ATE ORATORY CONTEST.

Dunbar, of Wooster, reached the height of his fame as an orator when he received first place with his oration, "The Supreme Menace," last Friday evening at Washington, Pa. This oration has won every place it has been given. The oration has been considerably revised from time to time, as weak spots were discovered. Dunbar was helped in this by certain faculty members of Wooster College, although this does not in any way detract from the glory achieved by him.

On Friday, May 6th, Dunbar won the Inter-State Forensic contest at Dakota Wesleyan University, Mitchell, South Dakota. Seven states were represented in the contest. Many remarkable orations were delivered, although none won the applause which was given to "The Supreme Menace." During the time the oration was being delivered absolute silence was given to the speaker.

Of the six or seven speakers who gave their orations at Washington and Jefferson College, Dunbar was easily accorded first place. From the constant practice which he had enjoyed, his oration approached perfection. Many persons who heard him pronounced him to be one of the most able speakers that they had ever heard.

It had been predicted that the young Wooster orator would win, so that the result was not much of a surprise. Ohio Wesleyan took second place in the contest. Allegheny was represented at the contest by Hugh H. Buchanan, who delivered his oration, "The Crucible."

YOUNGSTOWN WINS MEET

Ohio City Carries Away Medals in Hotly
Contested Interscholastic Meet.
Erie a Close Second

SEVERAL OLD RECORDS BECAME
MYTHS WHEN OVER 100 VISIT-
ING ATHLETES VISIT ALLE-
GHENY.

Amassing a total of thirty-seven points, South High of Youngstown won first place in the sixth annual Interscholastic Field and Track Meet on Montgomery Field last Saturday afternoon. With Borts, winning both hurdle events, and Halleck, high point getter, with eleven points from a first in the pole vault and seconds in the broad jump and shot put, the Ohioans were able to keep consistently ahead of their opponents. Central High of Erie, with twenty-eight and a half points, and Meadville High, with twenty-one tallies, earned second and third places respectively.

The meet was started promptly at one-thirty o'clock, and all of the events were run off on schedule time, with the exception of the hammer throw, in which the breaking of the hammer necessitated some delay. Following the regular schedule, a challenge relay race of two laps, (seven hundred and ninety yards) was held between Central of Erie, South of Youngstown and Ashtabula High, the teams finishing in the order named. A good time was made in this event, the winning team finishing in 1:27.

Two of the records of the meet were shattered, when McCandless, of Beaver Falls, clipped the record of Verner, of Shady Side Academy, by stepping the 880-yd. run in 2:06.1, and Borts, of South High, lowered the record of Anderson, of Erie, in the low hurdles to 27.3 seconds. It is interesting to note that "Oe" Ander-

son was present to see his record broken. "Al" Carmont, of Meadville, holding three of the records, was also present during the meet. Although none of the other standards were raised, Wilson, of Erie Central, equaled the 10:2 century dash record in the finals, and Atkinson, of Academy, Erie, did the same by running his heat of the high hurdles in 17:2.

All of the races of the day were closely contested, especially so the 440-yd. dash and the mile run. In the former, two men tied for second place, but a foot or two behind Kern, of Erie Academy, the winner. Savko, of South High, and Goldsmith, of Erie Central, in the mile run, ran neck-and-neck down the straight-away, the former winning by only six feet.

The field events were not so closely contested, with the exception of the high jump, which took nearly two hours to run off. Judd, of Meadville, was awarded first place with five feet six inches, and Curtis, of Albion, second place on one inch less, but six men tied for the other places at five-four. Although by elimination jumping, the medal was granted to Hopper, of South High, the points were distributed among the sextette. Parnell, of Ashtabula, sufficiently out-classed his rivals to win the discus and the shot contests by comfortable margins.

Although there were twelve schools competing, all with large representations, very little confusion resulted in the events. Twenty men participated in the half mile, and eighteen took

THE NEW HIGH SCHOOL

GRANTED MEADVILLE BY VOT-
ERS AT POLLS LAST WEEK.

By a vote of more than two to one, Meadville's voting population, on May the tenth, authorized the erection of a new high school. Although the bond issue was set at two hundred and seventy thousand dollars, estimates center about three hundred thousand dollars for the ultimate cost. By this assurance of public opinion, the School Board will go ahead in the immediate future with the consummation of the project.

Plans for the new building became distinct, when the Harper property, on the northeast corner of the Diamond was purchased some two years ago. Since that time considerable agitation has become current, and public opinion started to play its part. About the first of March, a definite date was set for the poll, and the past month has seen a period of excessive agitation on the part of the large committee in charge. Meetings have been held throughout the city, in the school buildings, shops, foundries and other plants, in an attempt to sc crystallize the voting portion of the city that defeat of the issue would be impossible. A parade on the ninth closed the campaign, and on the following day, the polls registered a heavy majority in favor of the proposition.

Condemnation proceedings have been undergone and successfully completed against several of the property owners adjacent to the new site. Although the actual plans have not been made public as yet, it is known that a well equipped gymnasium and a capacious hall will be prominent features. Added room space will enable the creation of a Junior High, thus removing congestion from the otherwise up-to-date grade school buildings. So the scholastic system of Meadville will again be brought up to its expected status.

PROGNOSTICATIONS

CONCERNING THE GENEVA-ALLE-
GHENY MEET SATURDAY. MIL-
LER HAS NO FORMIDABLE
OPPONENT.

The Allegheny team that will meet Geneva will be little different from the squad that journeyed to Tech two weeks ago. But, although the same men, there has been shown tremendous advance in their events. Coach Hammett announces that, providing nothing unexpected happens, the meet will be the fastest held on the field in some years. Geneva has been steadily improving, and the fact that our relay team beat them so decisively at Philadelphia three weeks ago, will not allow of a conclusive estimate of the two teams being made.

Bittner and Bender can be expected to do their share in the hurdles, while Croasman and McCreary have been working as steadily on the sprints. Wimmer and Kinney will take care of the 440 in a creditable manner. The half mile is still a conundrum, but Wimmer and Beatty will be the probable entries. In the distance runs, Kirschner and Corbett are still at the head of the list of milers, and F. Bacon of two-milers. Secor is also showing up well in this latter event. It is the case of a throw-up between Cunningham and MacGowan on the weights, with the former the better in the hammer, and the latter in the shot event. Potter is also showing considerable form in these events. Crumrine will, in all probability be the Blue and Gold's best entry in the high and broad jumps. Bittner is still giving him a hard race in the former, however. Miller has it all his own way in the pole vault.

For Geneva, Curry and Miller again seem to be playing major roles. It will be remembered that the former starred last season in the sprints and field events, while the latter featured in anything from the quarter mile in the relay team to the two mile. These two men can be accounted for as the individual winners in the coming meet, as far as Geneva is concerned. What Allegheny will have to say about it can best be determined after Saturday. Last year the meet was won by the relay race. This year, as interesting a contest is assured by the management.

SUNDAY SERMON

DR. ELLIS TAKEN ILL, FORCED
TO DISCONTINUE.

The Chapel speaker on Sunday morning was the Reverend Dr. A. C. Ellis, retired minister of the Methodist Episcopal Church, and Editor of the Pittsburgh Christian Advocate. Miss Josephine Hovis sang the offertory solo, "Abide With Me."

Dr. Ellis took as his text, Matthew 13:12. "For whosoever hath, to him shall be given and he shall have more abundance, but whosoever hath not, from him shall be taken away, even that he hath."

Jesus often gave parables as pictorial presentation of spiritual truth, and clinched them with a seemingly exaggerated statement like this. Someone has called the text the Law of Spiritual Life, but it is the law of all life, the unchanging law of cause and effect, of outward possession and inward gift, of field and harvest, business, study, and prayer, in all of these, "To him that hath it shall be given." This principle operates in the getting of knowledge. It is to the instructed mind and seeing eye that the truth comes.

During the sermon, Dr. Ellis was suddenly taken ill, and was unable to finish.

EXAMINATION SCHEDULE

REPORT ALL CONFLICTS TO REG-
ISTRAR IMMEDIATELY.

The following is the examination schedule for the second term. Changes may be made in this schedule, but no change will be made after May 21. The official copy of the schedule will be posted May 25. There are unavoidably a few conflicts. These should be reported to the registrar's office before May 21 that arrangements may be made. Senior examinations must be completed before Tuesday evening, June 7. Seniors who have examinations scheduled after that date will be examined specially at times to be fixed by the instructors.

Examinations in one hour subjects will be limited to one and a half hours; in two hour subjects to two hours; in three hour subjects to two and a half hours; and in four hour subjects to three hours.

When a student has been absent from class for any cause one-seventh the total number of recitations or more, a supplementary examination must be taken in the subject. Supplementary examinations are to be

ALLIANCE FRANCAISE.

On Monday, May 9, in the parlors of Hulings Hall, L'Alliance Francaise and Le Petit Salon gave a tea in honor of Mr. Guy Maier, noted concert artist, who visited the college last week. Mr. Maier addressed the assemblage in French, recounting amusing incidents in his experiences in France during the war, as a Y. M. C. A. secretary. While in town, Mr. Maier was the guest of Dr. and Mrs. H. W. Church. Dr. Church was associated with Mr. Maier in Y. M. C. A. work in France.

Announcement has just been made of the engagement of Mr. Guy Maier to Miss Lois Auten Warner, of Boston. Miss Warner is a graduate of Vassar. The wedding will take place in New York on June 1, immediately after which the young couple will sail for France and an extended tour of the continent. Mr. Maier's many friends in Meadville extend sincere felicitations and wish them bon voyage and a happy return.

ALLEGHENY ORATOR IN DEMAND.

Hugh H. Buchanan, Allegheny's representative at the Inter-Collegiate Oratorical Contest held at W. & J. last Friday night, has been called upon to give his oration to numerous groups and societies recently.

Aside from delivering the oration at the Wakefield Oratorical Contest, where he won first prize, Buchanan has spoken in McKeesport and other towns in the Pittsburgh district.

Last night he spoke before the Union Club of Erie, an association of business and professional men. Other engagements will be filled between now and Commencement.

CAMPAIGN PROGRESSES

ENDOWMENT DRIVE MAKING
FINE PROGRESS. LAUNCHED
BY STUDENTS IN MAMMOTH
PARADE.

Led by the college band and the faculty, approximately five hundred students paraded through the downtown streets Monday afternoon for the purpose of arousing interest in the Second Century Endowment Campaign. The parade was nearly a half mile long. The men of the college marched in two files. Immediately behind them came the women who rode in some fifty automobiles. President Hixson and the committee in charge of the campaign were in line as well as every member of the faculty.

An amusing incident occurred at Water and Chestnut Streets when the horses on which the two marshals, A. W. Gordon and R. H. Klinefister, were riding became frightened and bolted. The parade was just turning into South Water Street from Chestnut when a street car attempted to cut through the line of march. The two animals shied, whirled and galloped at a breakneck speed down Chestnut Street toward the Erie station. Both marshals are expert riders and soon brought their mounts under control, rejoining the parade a block further on.

The number of students who turned out for the parade is evidence of the fact that the student body as a whole is heartily behind the campaign.

The line of march was from Ruter Hall, down North Main Street to the Diamond, west on Chestnut to Water, south on Water to Arch, then east on Arch to Park, and north on Park to the college. After the parade the band gave a short concert in front of Hulings Hall.

The first of the noon-day luncheons for the members of Meadville teams engaged in the drive was served on Monday noon in the Stone Church. About 80 men were present. There was every evidence that team captains and team members alike had entered into the campaign with great enthusiasm; and, though all the workers realize that there is hard work ahead of them during the coming five days, they are confident that Meadville will raise its quota.

Before introducing the speakers, Dr. R. Bruce Gamble exhibited a loving cup and announced that it would be presented to the division securing the larger amount of money. Resort will be had to lots to decide which of the five teams in that division should have final possession of the cup.

That the drive to raise \$50,000 in the City of Meadville as its share of the million and a quarter dollar endowment for Allegheny College is a business proposition pure and simple, and as such should be met by the business and professional men of the City as quickly as any other good business proposition, was conclusively shown by Dr. Fred W. Hixson, President of the college. Dr. Hixson pointed out that much more than \$50,000 is spent in the City annually by the college, very little of the large sums expended annually by the college going out of the town.

E. W. McGill, President of the Crawford County Trust Company, spoke briefly, calling attention to the fact

New Title.

It pays to advertise. At least, that is supposed to be one of the compelling motives that actuated a certain young lady to receive and return, oh, such a nice kiss in the main hall of Bentley at 11:30 last Monday morning. It may have been that she was simply drumming up trade or she may have been seeking an eye opener with a kick, but the fact remains that Old Bentley witnessed a sweet sight. If she was drumming up trade it is thought that the advertisement was very effectively presented.

It would seem that at last Bentley has succeeded in supplanting the Quill Club room in popular favor.

EDITORIAL

HIGH SCHOOL STUDENTS.

High School students here over the week-end with the various track teams from the cities in this vicinity were unusually impressed with Allegheny College, her beautiful Campus and the many advantages of the college.

On one of the many tours conducted by several of the College students, a number of the visitors examined the college buildings, including the Freshman Dormitory, more commonly known as the Arter House. The men were awe-struck by this outstanding structure, the building in which incoming Freshmen must live. Many of the men spoke very favorably of Allegheny and some even went so far as to say that they were considering coming here—but for the Arter House.

All the members of the teams and the coaches were exceedingly well pleased with the way the meet was handled and run off with such precision and fairness.

The fraternities on the Hill entertained the boys and showed them many views of college life. As one of the visitors put it, "Allegheny College is a fine place, with a real student body full of pep 'n' everything."

THE NEED OF A NEW POWER PLANT.

It has become apparent, during the recent winter that Allegheny is in need of a larger and better equipped power-plant. The cause for this need is the fact that the old plant is inadequate and unable to meet the needs of the College. This need perhaps has never been felt by the College at large, but many men intimately related to Allegheny College are convinced that the need is genuine, and should be remedied.

If the present plant is skillfully handled it can be made to suit the needs in a moderate winter, but in the case of the usual weather conditions which prevail throughout this part of the country it would prove very inefficient. In the construction of the present plant the location factor was seemingly overlooked, for the power plant should be situated in the ravine near the Carnegie Hall of Chemistry. As it is now situated the steam must be forced down to the two lower buildings. In the near future additional units will have to be added to the present location in order to partly supply the increased needs of the College. Instead of increasing the old plant, why not construct an entirely new plant, in the correct location and one that will adequately supply the College for years to come.

Although this has not been included on the Endowment program it is a very serious problem and very vital to the Institution. Along with the Administration we believe it to be a question worthy of much consideration and careful study by all concerned.

The Campus Staff meets every Friday at 1:15 o'clock in the Campus office in Bentley Hall.

THE REV. HOUGH WILL SPEAK AT Y. M. C. A. TONIGHT.

Dr. Hough, of the Stone Church, will be the speaker at Y. M. tonight. In addition to this treat there will be special music for the evening. Those who fail to be present will miss a very good half-hour.

Fitting action with words, the men of the Y. M. C. A. replaced the sundial in its proper place. This class memorial was the object of a rather heated discussion during the meeting; its disgraceful position in the ravine; why it had not been replaced long since; what advertising power such apparent carelessness would have on the endowment campaign. The climax was reached when a member suggested that the men present take it upon themselves to restore the dial to its base. Accordingly, after the meeting drew to a close, the men journeyed down to the ravine where the dial was lying. With the use of a wire, a rope, and a strong force of man-power, the heavy cylinder was finally rolled up the ravine to its proper position. Needless to say, the men have received much commendation by those who knew who had restored the dial. It is the aim of the men, however, to keep their good work a secret. Had their charitable act not been seen by a quiet observer, perhaps the affair would never have come to light.

President Neely and First Vice-President Larson will leave Thursday night for the annual training school and convention at Penn State. The meeting will last three days. Our representatives will undoubtedly return with countless ideas and suggestions by which our local organization will be bettered.

gress. Many pledges are yet unpaid. The financial drive is still in progress and there are some students who have not yet been privately interviewed in regard to their subscriptions. It will be mentioned again that any person wishing to offer his support may do so by getting in touch with any one of the five cabinet members: Neely, Larson, Boynton, Havice, or Braun.

PHILO-FRANKLIN.

Thursday evening at 8 o'clock that honored and venerable platform event, the Philo-Franklin Oratorical Contest, will take place in the Chapel. Five of Allegheny's best orators will contest for first place; faculty members will officiate as judges. Dr. S. S. Swartley has been coaching this year's contestants.

As an orator, W. A. Carney needs no introduction to Allegheny students. As an upholder of Irish Rights, he is even better known. His subject for Thursday is "America and Ireland." Nuff said.

"The Tree" is the subject of the oration J. L. Ross will deliver in contesting for the prize; C. T. Little will speak on "The Slavery of the Freedman"; E. F. Burdick will deliver an oration on "The Yellow Peril," while C. E. Tefft will attempt to capture the fifteen-dollar prize with his oration, "Education vs. Bolshevism."

Prizes awarded will be fifteen dollars for first place, and ten dollars for second. Third, fourth, and fifth places will receive the hearty and prolonged applause of the enthused audience, and the satisfaction of knowing that they made the winner earn his money. The Philo-Franklin oratorical contest, which is an annual event, was won last year by M. E. Graham, '23.

SUN DIAL FINALLY RESTORED TO BASE AFTER SIX MONTHS IN RAVINE.

After lying at the bottom of the ravine for the last six months the Class of '99 sun dial has been restored to its original base along the walk to the Carnegie Hall of Chemistry. The work was completed last week.

It is not known whether the persons responsible for its removal last fall were college students acting with a perverted sense of humor or whether the act was done by some one other than a college student. It is thought the latter is the case.

The sun dial was given to the college in 1909 by the Class of '99 as a memorial. It consists of a bronze plate mounted on a granite pedestal forty inches in height. On it are the words, "Presented by the Class of 1899, Tenth Anniversary, Begone About Your Business." The arm which casts the shadow was broken off when the sun dial was rolled down the hill but is being replaced.

STUDENT VOLUNTEER BAND.

The Student Volunteer Band held a very interesting meeting Thursday, the twelfth. Dr. Beller was the speaker and he spoke on the Moravian Church, its beginning, its progress, its extent and its strange customs.

There will be a regular meeting of the Student Volunteers Thursday, the nineteenth, in the Oratory of the Chapel.

The Y. W. C. A. service Sunday evening was led by Miss Marjorie Lillie. The topic for discussion was "Criticism." Interesting questions on criticism were answered by seven girls. A very appropriate poem was read by the leader, and violin and vocal solos were rendered by Miss Ruth Greenwood and Miss Genevieve Hovis, respectively. It was one of the most original and helpful meetings of the year.

John J. Shyrock Co.**PHI GAMS STILL LEAD**BASEBALL RESULTS FOR THE
WEEK SHOW INTERESTING
TURN. B. U.'S REFUSE TO RE-
SIGN TAIL-END.

During the past week the Phi Gams gained a game on the Phi Deltas, while the latter were idle. Some good baseball was displayed and the games were much better than some of the scores would indicate.

The Sigs climbed a notch as the result of their game with the tail-end B. U.'s, while the positions of the other teams remain unchanged.

After a hard tussle the Deltas managed to win their game from the Allegheny Club last Monday afternoon. Numerous errors by the Club men allowed four runs to sift across the plate, and virtually cost them the game.

The Silver Loving Cup to be awarded to the winner of the Interfraternity Contests, has arrived and may be seen on display at Reamer's, corner of Water and Chestnut Streets.

The line-up:	
Deltas—4	Allegheny Club—2
Coale	Friend
Cunningham	Pitcher
Wise	Catcher
Doing	1st Base
Gates	2nd Base
Remaley	Short Stop
Kofford	3rd Base
Fields	Right Field
Walker	Center Field
	Left Field

In the second game of the afternoon the Sigs bettered their position in the race by walloping the B. U.'s 9 to 1, in a free-hitting contest.

Sigs—9	B. U.'s—1
Fix	Pitcher
Lawhead	Catcher
Murphy	1st Base
Booth	2nd Base
Shirer	Short Stop
Shultz	3rd Base
Glunt	Right Field
Cornell	Center Field
Redmond	Left Field

The Phi Psis threw a scare into the Phi Gamm crew last Wednesday afternoon and threatened to defeat the league leaders in a slugging match. Murphy and Croasman featured with homers.

Phi Gams—11	Phi Psis—5
Klinestiver	Pitcher
Croasman	Catcher
Hough	1st Base
Swanson	2nd Base
Secor	Short Stop
Murphy	3rd Base
Mohney	Right Field
Bittner	Center Field
Parker	Left Field

Evening matters up with a win over the Allegheny Club last Friday afternoon, the Phi Psis maintained their position in the race. The Club men put up a great game but were finally nosed out by one run.

Phi Psis—5	Allegheny Club—4
Tannehill	Pitcher

ELECTED.**

The Women's Athletic Board elections were held Wednesday, May 11. Louise Hulin, '22, was elected President; Mary Gealy, '22, Vice President; Anne Lowrie, '23, Secretary; Helen Shaffer, '23, Treasurer; Kathryn Simmons, '23, Tennis Manager, and Jean Howe, '24, Assistant Tennis Manager.

Letters were awarded Friday morning to the twenty-five winners of the eight-week hiking contest. Each girl hiked five miles per day, making a total of 245 miles for the eight weeks. A competitive contest was also held during the last seven days of the contest. Miss Ida Galbreath, '21, was the winner of this contest, with 107 miles to her credit, while Miss Martha Withers came out a close second, having hiked 99 miles. Miss Galbreath was awarded a navy blue Spalding sweater, and Miss Withers, a black silk middy tie.

The Athletic Board is also making arrangements for an inter-class tennis tournament in the near future. The courts are being finished and will soon be ready for use.

ENDOWMENT

Continued from page 1.

that the majority of the \$50,000 to be raised from the City would necessarily come from the business and professional men, owing to the general depression in certain lines which has thrown many men out of work for an indefinite period. Their donations may extend for a period of five years which will not work a hardship on the donor, a point which he urged his team to remember in soliciting subscriptions.

E. H. Sackett concluded the list of speakers in urging teams to be thoroughly organized with a definite plan of campaign worked out before starting on their mission and gave a number of good pointers for their guidance.

School Commencement time is one of the several gift giving seasons of the year. It is one of the happiest moments in life for the student and a time when parents are justly proud of their children. Consequently it is only natural that the occasion be one of happiness and gift giving.

For the young man student—a full length Conklin with patent pocket clip which he can use in later years either for business or in continuing his studies. Like his diploma, his Conklin will be a part of his equipment for future years.

For the young lady student—the short length Conklin with plain ring tip or chateleine ring tip is always in vogue. Convenient and fashionable at all times but especially so when worn on a gold chain or a neck ribbon this gift is without parallel.

There is only one Conklin store in Meadville—only one place where a complete line of Conklin Fountain Pens may be found. This is Shartle's stationery, printing and gift shop, opposite Academy of Music. Users of Conklin, Wahl and Waterman pens can get all repairs on short notice as we do this work here in Meadville.
