Rev. Louis A. Warren,
Morganfield, Ky.

My dear Mr. Warren:

I am sending you enclosed a check for \$42. in return for the fourteen pictures which we have used in the first eleven chapters of the Lincoln Syndicate material.

I shall appreciate it if, as soon as possible, you will give the articles a critical reading and let me know your findings.

What about your magazine articles? Also your book? Have you found a publisher? If not, have you tried Bobbs-Merrill of Indianapolis? They take a great deal of interest in the subject, have published Gore and Stevenson and now ought to do something that is not quite so largely fable - though don't quote this!

Sincerely yours,
