Dear Miss Tarbell,

If you consider the manuscript which you have, entitled "The Other Economics" worthy of consideration we shall certainly be very glad to give consideration to it.

Pray then, do me the favor of sending me the book if you are free to do so, and I shall be glad to give it careful attention.

I hope to be able to report to you in the course of a few days that the proposed cheap edition of the "Lincoln Life" has been definitely arranged for.

Yours very truly,

Miss Ida M. Tarbell.
