Mr. A. G. Warren
American Steel & Wire Co.
Worcester, Mass.

My dear Mr. Warren:

Pardon the delay in acknowledging your letter of November 30, sent with the photographs for Books Nos. 1 and 2 of the Industrial Museum Series.

I have placed them in their proper order. I have not yet finished my work on these photographs but hope to do so soon. I shall then return the volumes to you.

Some time next spring I am hoping to visit your Museum and do a little work on your records, if you will allow it.

Thanking you for your courtesy, believe me

Sincerely yours
