Dear Miss Tarbell:-

Will you please permit me to extend to you this somewhat tardy acknowledgment of your courtesy in sending to me your recent book "New Ideals in Business", which I recently received from your publishers. I thank you very deeply for this book, which I am reading with profound interest. I have also heartily recommended it to Colonel Pope. I have also told him of the very delightful conference I had with you recently and how full of splendid ideas you were in the upbuilding of American industry.

Trusting it may be my pleasure to see you in the near future, after I have read your book, and thus have the opportunity of personally thanking you for your courtesy, I am,

Very sincerely yours,

APN/KF
