Dear Miss Tarbell:-

Many thanks

for your goodness in  
listing me from the  
wants of a Publisher

send the sketches for  
trial, Alice is

in her third year  
high, and is con-  
sidered very sweet  
passed ninety five  
in her regents.

Had I mentioned  
I have been in

the last three years

three departments

The family is growing  
But is now ten  
years old, Harry will  
be dead ten years

Still I have loved  
you with myself

and family.

Has more than  
pleased to hear from  
you.

Heard from Mrs. Joins

town early part of this year  
but did not see them

Trust you are in good  
health
