Dear Miss Aspinwall:

It is pleasant to know that you remember my visit at Royal Oaks. I certainly remember it and how kind everyone was to me.

As to the pictures which have been turned over to you I could give you no judgment on George and Martha Washington, but as for the Lincoln picture if you care to send it I could probably give you some information. There were several pictures of the Lincoln family circulated in the Civil War and later. I would be unable to tell you their value, that all depends on how much the purchaser wants the particular item.

So if you care to send on the Lincoln I will be glad to give you any information I can ~~but~~ to tell you frankly I have none.

With all good wishes, believe me

Very sincerely yours

Miss Jessie G. Aspinwall
