April 27th, 1921.

Miss Ida Tarbell,
120 East 19th St.,
New York City.

My dear Miss Tarbell:

Thank you for your letter of April 26th. I should indeed be very thankful if you can arrange to have the two nurses looked after during their visit to Dayton and Cleveland.

I found that I had less than two hundred dollars apiece for their expenses from May 25th to the second of August and I did not see how it was possible to pay their travelling expenses and their hotel bill on that sum, but yesterday the Executive Committee allowed me one hundred and fifty dollars a piece more, so I now have about three hundred and fifty. I must stretch that over the space of ten weeks, if possible.

Therefore, if you can help me in having them entertained, I will greatly appreciate it.

Thank you very much and believe me,

Sincerely yours,

Elizabeth Perkins
