Dear Mrs. Bonar:

I was much pleased when I came back to my desk yesterday to find waiting me there your letter of March 15th with the interesting enclosures. I am so glad to have them for my Lincoln collection.

I think it is fine of you to keep up your interest in what Mr. Bonar did and to pass on the knowledge to those who care for Lincoln.

I hope you will keep well and that one of these days I shall again have the pleasure of seeing you.

Very sincerely yours

Mrs. Lewis J. Bonar
