Miss Ida M. Tarbell,
120 East 19th Street,
New York City.

My dear Miss Tarbell:

On June 16th I wrote you and I am enclosing copy of the letter which I judge did not reach you as I have had no reply.

We have an engagement arranged for you at Pleasantville, New York, which as I recall it is only about thirty or forty miles north of New York City. I think the date of Friday November 10th would balance it very well with the rest of the programs they have engaged.

If I can arrange November 10th with this committee will it be satisfactory to you?

With all good wishes, I am

Sincerely yours,
