Dear Father Glynn:

Thank you for your letter sent while I was in Pittsburgh last week. I was interested in the contents and if I had not been so hurried, obliged to return to New York earlier than I had expected, I had it in mind to come up for a talk. Possibly that can be arranged sometime again when I am in Western Pennsylvania.

In the meantime I am glad to know of your work and your hopes and I wish you the very best of success.

Very sincerely

Rev. Thomas J. Glynn
