Mr. George Bicknell
The Coit-Alber Independent Chautauqua Co.
850 Orchestra Building
Chicago, Ill.

My dear Mr. Bicknell:

Please forgive me for my delay in acknowledging the beautiful photograph of the Indianapolis Lincoln Relief which you recently sent me. It found me unusually busy and neglecting all correspondence. I was particularly sorry not to write you promptly because of the pleasure that the photograph gave me. It is one of the most successful copies of a relief that I have ever seen. I think I shall have it framed - at least it will have an honored position in my collection of photographs.

I hope everything is going well with the Coit-Alber Independent Chautauqua Co. One of the regrets of my life is that I shall never again go on a Chautauqua Circuit. But one of my satisfactions is that I lived through two.

With all good wishes, believe me

Sincerely yours
