Ida M. Tarbell

My dear Miss Tarbell;—

I own and have read a copy of your "In the Footsteps of the Lincolns". Always enjoying your writings I have especially been interested in this book because my grandfather was Jacob Lincoln of Lacy Spring, Virginia.

The picture in your book marked David Lincoln, p. 52. is that of his son Jacob Lincoln, my grandfather. In some way in getting the material while in Rockingham County this error was made. Would it be possible to correct this in new editions? If so I would like to purchase from the publishers one of the new editions.

Sincerely,

Rhea H. Earl
