Dear President Colligan:

Thank you for your letter of January sixth inviting me to make the Baccalaureate Address at the Hunter College Commencement Exercises to be held in Carnegie Hall, at ten thirty, January 27th. I am honored by the invitation and as I have already told Mr. Chase am glad to accept. I understand from Mr. Chase that the address will be about twenty five minutes in length.

I shall expect details as to time and place of gathering for the procession from the Dean.

Very sincerely yours

Eugene A. Colligan
President, Hunter College
