Dear Miss Tarbell:

Following up that pleasant talk of ours this morning, let me repeat that I shall hope for a little personality sketch of you — informal, and not too perfunctory — sometime within the next fortnight.

For, as you will see from the enclosed proofs, a by-line is very much in evidence!

Naturally, though, Article Two comes first — July in the magazine make-up world is already upon us, at least as far as copy is concerned.

Cordially,

Lawrence M. Conant
