Dr. John W. Wayland,
Harrisonburg, Va.

Dear Dr. Wayland:

I am ashamed that the cut of the Lincoln house on Linville Creek should have been overlooked so long. It is going back to you today.

I hope I shall get down to the Shenandoah Valley again and have a chance to use your Guide. Success to it!

My syndicate articles are still going on. It is a long piece of work. When the book appears you shall have a copy.

If my sister were here she would send her best wishes to you and Mrs. Wayland. We often speak of your kindness to us when we were in Harrisonburg.

Sincerely yours,
