Gilsumton, New Hampshire

Dec 25, 1939

My dear Miss Tarbell -

Thank you for your note, and for writing
the Librarian. I enclose my Lincoln list as you suggest.
There may very likely be nothing new to you on it.
You may be interested to see that I feature the
stories and poems about him, however — whether
you agree with this emphasis or not. Story is
sometimes truer than history!

Yours

Curtis Hidden Page
