Bannethville
July 16th 1933.

Wm. L. M. Parball
Somerset

Wm. Hearns & Co. Ltd.

For months almost years. I have said
I would write Mr. Farbell, you may
scarcely remember "Romeville"
Oil City Pa. I decided it over 1840. on
71. that living on Sam. Sam. 2 1/2 mi
above. I used to school the summer
term at Romeville, you may not remember
Me at all. Etta Engle & Aunt Mary's name
greatly mistaken you were in school. I was
not drawing on imagination to say I was
cubing your face I do remember it most said
you had come from some northern city
Cleveland possibly. But opening a book of
Biographies. I read you were born in
Cinc. O. in 1807. I was born in 1808. in
Athens Co. Ohio near Ohio River then in

below Parkersburg, W. Va. We travelled
much on Ohio River. Parkette would walk a
distance to get near one having a "Calliope".
now how to pity the present children who
think Radio Common. about 15 to 20 years to
San Sam. where relatives had gone before
after Rowanville went to normal in Ell
City, in about Oct 72. We moved south to
Bertha Co Ga. Where David Morrison
who about that time struck the largest
Well possibly in that Co. In 1876. He
was a Widow m. We were Married.
my precious son, Earl S. Morrison.
was born and died a year later.
aged fifty six. I am trying to live a
devoted Christian every day, every hour.
But Oh, how I need my boy. He and I
came to D.C. in 1878. He Married here. I
have five grand children, five great
grand children, am a Widow twice.

Have never been across the Ocean.
 But have travelled much in U. S. Was a
 Summer program also in business in
 1926. I am urging young people here
 to throw aside Tobacco, Radio, & my Cunt
 that they may go to Chicago Fair before
 it closes. Having been at Centennial
 in '76. World's Fair in '93. I am & my
 eager for the young to be educated by
 these wonderful sights. Think of the fleet
 of Italian Planes coming over them
 by them and me without an accident.
 But as "Samuelson Allen" used to say. I
 must not get to "Soaring". I think "Kidnapping"
 is one of the most terrible conditions I
 we are facing today. With & my little
 punishment. My life has had many
 tragedies. But I am naturally brave.
 When I was recently eight years old, my
 friends scarcely believed it. I had a
 genuine "Laprotomy" operation in 1906.
 Genuine operation on stomach in 1924.

4

am facing another now in Stomach
 it may prove fatal, but I am not afraid
 "I mean I am ^{not} afraid hysterically
 years ago. I began reading from
 your and your articles on "Standard
 Oil Co. before me lies" Cosmopolitan
 for Jan. had laid it away, and
 now looking at your picture, and I
 have carefully read your article
 so far as I am able to judge it is
 rational, and to the point. In this great
 Cotton belt people are holding their
 breath, when they think of following
 up acres of Cotton. I am sure
 some in power feel it is best.
 I do not know.

speaking of your picture in
 Cosmopolitan I have one of you
 dressed in White, sitting out
 of doors. Having many Magazines

laid away - don't know just
 where it is. But will find it.
 On my Mantle is a fine photo
 of Mrs O. G. Fournier my age formerly
 Kenner Porter of Farr. Fournier. We
 have always been friends. Her
 father was Sup't of Large Oil
 interests. all her family of Porters
 are dead. They lived in Wash. D. C.
 for years. Mr Fournier had a
 government position. Now her
 only son who has been with government
 long. has been sent to Seattle. Wash.
 My own family are all dead. a
 precious niece has been with
 Westinghouse Lamp Co. Newark
 N.J. for more than twenty
 years. I do not intend to
 brag. But a dear stepdaughter

in the. Mrs Vice Pres of
D.A.R. for years.

I hope this reaches you.

I want you to know I

Admire you & my work
your determined efforts.

and would be glad to
hear from you.

Sincerely,

Mrs Etta L Spencer
