MISS IDA M. TARBELL,
Care International Magazine Co.,
57th St. & 8th Ave.,
New York, N. Y.

Dear Miss Tarbell:-

I was very much interested in your article in the April Cosmopolitan "The American Plan - Training;" where you brought in Edison and Westinghouse.

When President of the Electric League of Pittsburgh last year, I got out the enclosed little reference to these two industrial geniuses.

Thought this might be interesting to you.

Yours very truly,

Rob't Garland
