

Snow play

J. is enjoyment of snow play episode
delegated to see - lower learners in
the matter of the moment - making
it in a way to it - i.e. - purpose of
this week of the society - really
common - goodness. —

Principle says children can't
get to school - too much snow packed
10 ft deep in some places - only valley floor.
Have my kept it open - on road of my then -
no physical at V. H. Let's stage a contest -
see if there is a snow play day -
to keep it open ? came -
one mountain climbed 2 feet at a time &
I in to and tried climbed 2 feet -
more - ice on west - bank 16 feet high
& road open.

One machine broke a part & a
plane brought the spare part M.J. &
dropped it to the leafless crew.

This contest probably settles the question
with indecision of result - They wish
to be allowed to go to V. H. School. —

girl money due them - given to all
members of Parent Teachers ass'n.
How can we come out -
